

FOR EDUCATORS IN BERKSHIRE

DO YOU WANT TO be part of the  
global movement to educate children  
and young people about:

Maintaining good hygiene

Reducing infection spread

Correct antibiotics use

## e-Bug Approved Educator Training

- Free half day face-to-face Train the Trainer sessions for primary and secondary educators.
- A fun and engaging training session with presentations, interactive e-Bug activity demonstrations, and discussions.
- Free educational resource for classroom and home use: interactive lesson plans and quizzes, complementary online games, disease fact sheets etc.

The e-Bug resources support the Science curriculum and the new Health education guidance.

## What's in it for you?

- Become equipped with skills, knowledge and confidence to teach about important health topics using e-Bug resources
- Become an "Approved e-Bug Educators"
- Award of CPD certificate

We are looking to coordinate a train the trainer session for up to 40 participants.

Find out more at <http://www.e-bug.eu/>

**When?** 9<sup>th</sup> Sept 2019. 12:30-15:30

**Where?** Shaw House, Church Road,  
Newbury, Berkshire, RG14 2DR

If you or your school would be interested in participating in an e-bug train the trainer session in Berkshire, please register your interest by responding to [bwccg.medicines@nhs.net](mailto:bwccg.medicines@nhs.net) by 26<sup>th</sup> July 2019.
