

# Ofsted and Safeguarding Seminar

This seminar is bought to you under the Slough Borough Council—Partnership Safeguarding subscription for schools. If you are part of the partnership offer this session is free to your school. The first seminar is based on the new Ofsted guidance on the inspection of safeguarding in early years, education and skills settings.

This is an opportunity to remind ourselves of this important guidance which sets out the key points for Ofsted inspectors when they are inspecting safeguarding arrangements.

## Seminar outcomes:

1. This briefing provides schools with an overview of how Ofsted inspects safeguarding arrangements in schools.
2. What do schools need to prepare for safeguarding before an inspection?
3. What evidence does Ofsted consider during the inspection?

**Target audience:** The seminar is aimed at SLT, DSL's and deputies in schools responsible for safeguard-

**Date:** 10th December 2019      **Time:** 10.00 to 11.30

**Venue:** Arbour Park Stadium, Stoke Road, Slough
