

Early Years and Prevention Service Training and Continuous Professional Development Portfolio Calendar 2020 -2021

Training and CPD

The Early Years and Prevention Service in partnership with sector organisations have produced this training calendar to support you and your staff during the Covid-19 pandemic and beyond.

Slough Early Years Service is committed to supporting the sector with training and continuous professional development opportunities. We are constantly reviewing our offer and have recently made some changes to the next annual calendar to take into considerations the impact of COVID-19. We have planned a years worth of networks and training programmes and will continue monitor the offer and consider what changes may be required should the situation change.

You will see that for the autumn term we have scheduled in online training and network opportunities (apart from Paediatric First Aid) and we hope to resume face to face meetings from the spring term, COVID dependant.

All of the training that has been scheduled has been based on feedback from the sector but if you are looking for something specific that we haven't organised please contact us and we will be happy to discuss your requirements, please contact earlyyears@slough.gov.uk or call 01753 476581

Slough Early Years Service is committed to supporting affordable professional development across the sector by keeping charges low.

Providers from other local authorities are welcome to access training in Slough.

Please contact us to discuss availability and booking.

Please note that venue hire will add to the cost of the training course but if you are considering using your own setting as the training venue we ask that you consider carefully whether you can provide suitable adult facilities for all attendees (adult height chairs/tables, toilets etc.)

We need a minimum of eight practitioners in order to deliver a training session or workshop. If you are a sole provider or a group provider requesting fewer than eight training places we will endeavour to find practitioners from other settings to join you in the training before confirming your booking.

All training courses scheduled throughout the year and can be booked via 'The Link Website': www.thelink.slough.gov.uk

Email Invitations

Please note that the invites for private training course and meetings will come as an email from “Eventbrite”. Before requesting an invite please review the target audience and check your emails to ensure you haven’t already received an invite.

Bookings will close 5 days prior to the training, please ensure you book your place(s) on time as once the bookings have closed you will not be able to book a place

Waiting List

Please note that all of our training courses have a waiting list, please use this function as this helps us to measure demand and determine if an additional course is required, also if a booking becomes available you will be notified via email.

Cancellations

- Any cancellations must be made 7 days prior to the event.
- Any bookings including free courses and network meetings, cancelled within these 7 days will be subject to a £15.00 cancellation fee
- Non attendance will also be subject to a £15.00 charge
- If the Slough Early Years and Prevention Service cancel a course all booked and paying participants will receive a full refund

Polite reminder

Please ensure you arrive on time for training, if you are more than 10 minutes late unfortunately you will not be able to join the training.

Feedback

Staff who attend training will be sent an email with a link to an evaluation survey. You will then have 28 days to complete the feedback online and will receive your certificate once this has been done. If you have not completed the survey within 28 days your certificate will also no longer be available.

MULTI-AGENCY TRAINING OFFER 2020-21 is under review (Level 2 Safeguarding)

Covid 19 has presented many challenges for our workforce and has taught us a lot about Virtual working together!

We are currently revising all our training and developing virtual modules. We have committed to virtual training September through to March 2021 unless it is safe to have face to face training.

The offer will be published soon.

Safeguarding basics and COVID-19

Below is a link to a video which has been developed to cover the basics of safeguarding during COVID-19. It covers safeguarding for both children and adults at home and also includes domestic abuse and exploitation.

It takes less than 10 minutes to view and may be particularly useful as a resource for:-

- redeployed staff
- staff or volunteers working in different ways within the safeguarding arena during this period
- volunteers who do not read English very well as there is no requirement to read the slides.

The messages are simple - "There is no excuse for abuse during Lockdown" and "Help is available - It is business as usual for safeguarding services"

Food hygiene training

Level 2 award - food safety in catering

Training is an essential part of good food hygiene practice and is a legal requirement for all food handlers. Slough Borough Council run the Chartered Institute of Environmental Health (CIEH) Level 2 award in food safety in catering course every two months, or as necessary at the Council's offices. The course is designed for ALL food handlers, managers and food business owners, or individuals who want to learn about good food hygiene.

The CIEH qualifications are widely recognised within the industry and by food safety professionals. The CIEH is recognised for their high standards, they are a professional body who set standards, accredited courses and qualifications.

The cost of this course is £67.00 per person and includes training materials, a course handbook and the cost of the exam paper. If you have several people who require training, we can provide bespoke courses for you at your convenience. Please contact the food and safety team for further information. <http://www.slough.gov.uk/business/environmental-health/food-hygiene-training.aspx>

Whole setting ASD training

This training has been designed for whole staff teams and providers can join with other settings if applicable, it will support settings working with children with autism. Creating opportunities for joint attention, communication and interaction in Early Years.

- Practical strategies for early intervention
- Breaking down barriers to learning through positive shared play experiences

Settings can request this training package on a day that is suitable for them and a venue can be organised if required.

This training is delivered by two early years SEND professionals.
