

Introducing Sloughs all schools choir

**Every
TUESDAY**
@ 4.30-5.15pm
TERM TIME ONLY

We can't sing in person at the moment due to government restrictions, so join us online from home. Year 4-Year 9 students (8-14 yrs old) are welcome from all schools in Slough!

Join our 45 minute weekly singing workshops singing popular, inspiring and fun songs, all participants are muted so you can sing your heart out with the teacher and backing track. Participants can record a selected song individually. This will be edited together to form choir pieces.

Speak to your music teacher for more info and a registration form

Joining instructions sent via email upon registration. Children need a parent, carer or adult present in order to take part: this is for safeguarding reasons* please see attached online terms and conditions.
