

SLOUGH SCHOOL HEALTH & WELLBEING PROJECT RESOURCES

1- CPD and TRAINING OPPORTUNITIES

The training and CPD opportunities, listed below by topic, are all offered by reputable organisations but the School Health & Wellbeing Project does not assess them and it is important that schools review them before use to ensure they are suitable for their staff. **ALL TRAINING IS FREE UNLESS SPECIFICALLY STATED.**

Please get in touch if you would like further information about anything in this information sheet or to discuss support for your school or college.

RSHE and PSHE

REGIONAL RSHE HUB—SUBJECT FACILITATOR TRAINING

As part of the Department for Education support for schools with the implementation of compulsory Relationships, Sex and Health Education, Regional RHSE Hubs have been created. The Hubs are lead by selected National Teaching Schools and have been appointed to deliver the RSHE subject facilitator training programmes. Slough comes under the North West London & South Central England Hub.

Primary and Secondary Funded Subject Facilitator Training is now available. Please contact Susan Dyer for further information or see the [Slough School Health & Wellbeing Project training page](#)

HELPING CHILDREN NAVIGATE A COMPLEX WORLD—PSHE TRAINING

This free online course from the PSHE Association and Future Learn covers the historic and international picture of PSHE education, how the subject has developed or is approached differently in different countries, safe practice principles in PSHE education, how to teach PSHE education safely for all pupils and effective lesson planning for PSHE education, including assessment.
