

COMMUNITY RAPID LATERAL FLOW TESTING IN SLOUGH

Do not use a rapid lateral flow test or go to a test site if you have coronavirus symptoms. [Get a PCR test](#) and [self-isolate](#)

The following options for rapid Lateral Flow Testing in Slough are available:

Community Sites	The Centre, Langley Pavilions & Mobile Van SEGRO (for Slough Trading Estate workers only)	Community / Mobile Lateral Flow testing sites where members of the public go to take their test then and there, their result is texted to them approximately 30 minutes later: https://www.gov.uk/find-covid-19-lateral-flow-test-site
Community Collect	The Centre, Langley Pavilions & Mobile Van SEGRO (for Slough Trading Estate workers only)	Community / Mobile Lateral Flow testing sites where members of the public go to collect their Lateral Flow Device test kits (7 kits in a box) and conduct the test at home and they log their result on the governments website: https://maps.test-and-trace.nhs.uk/
Workplace Collect	Workplaces sign up to receive the tests directly	A company registers for Lateral Flow testing kits (containing 5 tests) for their employees. The kits are sent directly to the company to distribute amongst staff who conduct the test at home (the deadline for registration is 12 April 2021 for this service) https://www.gov.uk/get-workplace-coronavirus-tests?priority-taxon=774cee22-d896-44c1-a611-e3109cce8eae
Workplace Testing	Testing in the workplace	Workplace staff receive training in supervising tests and Slough Borough Council supply tests to your organisation in return for a weekly report of number of tests conducted requires setting up clinical waste removal and follow the LFT Standards of Practice.
Pharmacy Collect	Pharmacies which have joined the service	Members of the public can collect up to 4 boxes of Lateral Flow Device test kits for their household to test twice/week and report all results, pharmacy contractors can choose to provide this service and will sign up to take part. Participating pharmacies can be found here: https://maps.test-and-trace.nhs.uk/
Home Testing Kits	Members of the public can register to have kits sent to their home directly	https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests
