This letter contains the unique code for your child and offers access to the Holiday Activities and Food (HAF) Programme.

The DfE has provided grant funding to local authorities to coordinate free holiday provision - including healthy food and enriching activities - for children who receive benefits-related free school meals (FSM). It will of course be optional for eligible children to attend this provision if they wish.

The HAF Programme is an opportunity for your child to engage and participate in the exciting offer of summer 4-4-4. This is 4 hours of fun and a nutritious meal for 4 days a week over 4 weeks of the summer holidays and a 4-day week during the Christmas holidays.

Please take this unique code with you to your preferred provider and register for activities. Information on the HAF Programme is constantly being updated and will be made available on [www.sloughfamilyservices.org.uk](http://www.sloughfamilyservices.org.uk) search for "Slough HAF Programme" or call the Family Information Service on 01753 476589 to find out which providers are offering the HAF programme.

Yours sincerely,

*DWilliams*
