## About this Agreement

This provider agreement sets out how Slough Borough Council (the council) and Early Years Providers in Slough will deliver Funded Early Education entitlements for 2, 3 or 4 year olds. It sets out the requirements and constraints that the council and providers must adhere to and includes the **Parental Declaration Form that must be completed and signed by all parents and carers**. The agreement meets the Department for Education's expectations regarding the contents of a provider agreement as outlined in: 'Model Agreement: Early years provision free of charge and free childcare' June 2018.

### [Model Agreement: Early years provision free of charge and free childcare](#)

- This provider agreement is for
- Slough Borough Council
- Early years providers, including:
  1. Early years providers and childminders registered on the Ofsted Early Years Register.
  2. Childminders registered with a childminder agency that is registered with Ofsted.
  3. Schools taking children 2 and over and which are exempt from registration with Ofsted as an early years provider.

### Preliminary

A reference to a statute or statutory provision is a reference to it as it is in force for the time being, taking account of any amendment, extension, or re-enactment and includes any subordinate legislation for the time being in force made under it.

The local authority reserves the right to vary this agreement in response to changes in legislation and guidance issued by the Department for Education.

Failure to exercise, or any delay in exercising, any right or remedy provided under this agreement or by law shall not constitute a waiver of that (or any other) right or remedy, nor shall it preclude or restrict any further exercise of that (or any other) right or remedy.

No single or partial exercise of any right or remedy provided under this agreement or by law shall preclude or restrict the further exercise of that right or remedy.

A waiver (which may be given subject to conditions) of any right or remedy provided under this agreement or by law shall only be effective if it is in writing. It shall apply only to the party to whom it is addressed and for the specific circumstances for which it is given. It shall not prevent the party who has given the waiver from subsequently relying on the right or remedy in other circumstances.

Unless specifically provided otherwise, rights arising under this agreement are cumulative and do not exclude rights provided by law.

If any court or competent authority finds that any provision of this agreement (or part of any provision) is invalid, illegal, or unenforceable, that provision or part-provision shall, to the

extent required, be deemed to be deleted, and the validity and enforceability of the other provisions of this agreement shall not be affected.

If any invalid, unenforceable or illegal provision of this agreement would be valid, enforceable, and legal if some part of it were deleted, the parties shall negotiate in good faith to amend such provision such that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the parties' original intention.

This agreement and any documents referred to in it constitute the entire agreement between the parties and supersede and extinguish all previous drafts, arrangements, understandings, or agreements between them, whether written or oral, relating to the subject matter of this agreement.

Each party agrees that it shall have no remedies in respect of any representation or warranty (whether made innocently or negligently) that is not set out in this agreement. Nothing in this clause shall limit or exclude any liability for fraud.

Nothing in this agreement is intended to, or shall operate to, create a partnership between the parties, or to authorise either party to act as agent for the other, and neither party shall have authority to act in the name or on behalf of or otherwise to bind the other in any way.

A person who is not a party to this agreement shall not have any rights under or in connection with it.

Freedom of Information requests are responded to in line with [Slough Borough Council procedures](#).

## Section 1 - Provider Agreement Requirements

### Introduction

The Childcare Act 2006 fulfils the government's commitment to give every child the best start in life and parents greater choice about how to balance work and family life. The act places a duty on all local authorities in England to improve outcomes for young children, to reduce inequalities between them and to secure sufficient childcare to enable parents to work.

This Provider Agreement is currently underpinned by the following frameworks and legislation:

- Early Education and Childcare, Statutory Guidance for Local authorities 2018
- Childcare Act 2006
- Childcare Act 2016
- Equality Act 2010
- School Admissions Code 2021
- Statutory Framework for the early year's foundation stage 2021
- Local Authority, (Duty to Secure Early Years Provision Free of Charge) Regulations 2014
- The Childcare (Early Years Provision Free of Charge) (Extended Entitlement) Regulations 2016
- Special educational needs and disability code of practice: 0-25 years 2015
- Data Protection Act 2018
- General Data Protection Regulation (GDPR)

*Due consideration has also been given to:*

- The School and Early Years Finance (England) Regulations 2021
- Model Agreement: Early years provision free of charge and free childcare. DfE June 2018
- Early years entitlements: local authority funding of providers operational guide 2022 - 2023

### Key local authority responsibilities

Slough organises meetings and briefings across the sector and distributes questionnaires, information, and updates to providers regarding legislative changes and the local provision. This is part of the service designed to facilitate effective delivery of free entitlement places and includes support from the members of the Early Years Education and the Schools Finance Team for individual providers and specific circumstances.

The Principal Area SENDCo offers support, advice and training to providers and the Early Education Team manages an early years SEN inclusion fund which provides small grants to aid inclusion, for providers needing to make changes to provision that they cannot fund themselves. Information about this fund and applying for grants can be found at Appendix B.

Slough providers are encouraged to apply for a fixed annual lump sum payment of £800 from the Disability Access Fund for children in receipt of the Disability Living Allowance who are accessing a free entitlement place at their setting. Information about this fund can be found at Appendix C.

Local offer information is collected and collated by Slough's Family Information Service (FIS) and made available through the [Slough Family Information Service website](#).

The FIS also provides a brokerage service for parents needing further support to find the childcare that is suitable for their needs, including for parents of children with special educational needs or disabilities.

Slough is part of the Pan Berkshire Safeguarding Children Board which provides safeguarding procedures and information on its website. The Slough Procedures can be accessed at: [Procedures Online](#).

Slough Children First (formally Slough Children's Services Trust) provides a contact point for anyone concerned about a child's safety, at: [Slough Children First](#).

## Key provider responsibilities

***Compliance: All providers have a legal duty to ensure compliance with the principles, processes and procedures outlined in the Department for Education's 'Model Agreement: Early years provision free of charge and free childcare' (June 2018) and this provider agreement.***

***The Local Authority will carry out compliance checks to audit the provision of the funding entitlements. All providers can expect to have an annual monitoring visit and must comply with the facilitation of these arrangements. Please see paragraph 101 on page 24.***

The Early Education Team often includes updates regarding changes to legislation in its communications with providers and at termly meetings; however, it remains the provider's duty to be aware of and compliant with the statement above.

The provider shall at all times comply with all relevant legislation and all applicable codes of practice and other similar codes or recommendations and shall notify the local authority immediately of any significant departure from such legislation, codes or recommendations.

The provider shall comply with the requirements of the Health and Safety at Work Act 1974 and any other acts, orders, regulations and codes of practice relating to health and safety, which may apply to employees and other persons.

The provider has and shall keep in place adequate procedures for dealing with any conflicts of interest.

The provider has and shall keep in place systems to deal with the prevention of fraud and/or administrative malfunction.

All information concerning the provider which has been disclosed to the local authority is to the best of the provider's knowledge and belief, true and accurate.

The provider is not subject to any contractual or other restriction imposed by the provider's own or any other organisation's rules or regulations or otherwise which may prevent or materially impede the provider from meeting the provider's obligations under this Agreement.

The provider is not aware of anything in the provider's own affairs, which the provider has not disclosed to the local authority or any of the local authority's advisers, which might reasonably have influenced the decision of the local authority to enter into this Agreement.

The provider shall maintain in force at least the following insurance policies with reputable insurance companies to cover its relevant potential liabilities in connection with this agreement:

A public liability insurance policy with a limit of at least £5 million per claim; and

An employer's liability insurance with a limit of at least £2 million for claims arising from a single event or series of related events in a single calendar year.

On the written request of the local authority, the provider shall provide the Council with a copy of each insurance policy.

Slough providers are encouraged to use the [Slough's Family Information Service Website](#) and providers are expected to update the Early Years 'provider self update portal' to inform prospective parents about their funded places offer. Providers should publish and make available for parents their admissions policy, their charging policy and information regarding when the free places are being offered. Providers requiring information support or guidance to ensure that their communications to parents are clear and concise can contact [earlyyears@slough.gov.uk](mailto:earlyyears@slough.gov.uk) to request support from the Early Education Team.

The local authority encourages providers where practicable to offer the free entitlements over more than 38 weeks a year to stretch the financial support for families and maximise the number of places available. It is anticipated that all providers will consider the needs of working families when offering the free entitlements.

All providers must follow the EYFS and have clear safeguarding policies and procedures in place that link to the local authority's guidance for recognising, responding, reporting, and recording suspected or actual abuse.

Early years settings are expected to be inclusive and provide for all children, including those with SEND. Slough early years providers must have regard to the [special educational needs and disability \(SEND\) code of practice: 0-25 years: \(January 2015\)](#). Slough settings may request support regarding inclusion and provision from the Principal Area SENDCo by contacting [eyinclusion@slough.gov.uk](mailto:eyinclusion@slough.gov.uk).

Information about the local early years SEN Inclusion fund, grant and the Disability Access Fund is available in Appendices B, C and D of this provider agreement.

The local authority expects a provider to update their local offer regularly and review at least once a term.

Local offer information is collected and collated by Slough's Family Information Service (FIS) and made available through the [Slough's Family Information Service Website](#).

## Safeguarding

1. All providers must follow the EYFS and have clear safeguarding policies and procedures in place that link to the local authority's guidance for recognising, responding, reporting and recording suspected or actual abuse. [Slough Multi-Agency Safeguarding Children Partnership Procedures](#) are available on line.
2. The local authority has overarching responsibility for safeguarding and promoting the welfare of all children and young people in their area. They have a number of statutory functions under the 1989 and 2004 Children Acts which make this clear, and the ['Working Together to Safeguard Children' 2018](#) guidance sets these out in detail.
3. For advice and support when seeking to arrange training for practitioners and for further information and advice regarding Safer Recruitment please contact Slough Early Years Education [earlyyears@slough.gov.uk](mailto:earlyyears@slough.gov.uk).

## Special Educational Needs and Disabilities

4. Early years settings are expected to be inclusive and provide for all children, including those with SEND. Slough early years providers must have regard to the special educational needs and disability (SEND) code of practice: 0-25 years: (January 2015). Slough settings may request support regarding inclusion and provision from the Principal Area SENDCo by contacting [eyinclusion@slough.gov.uk](mailto:eyinclusion@slough.gov.uk).
5. The local authority must strategically plan support for children with special educational needs and/or disabilities (SEND) to meet the needs of all children in their local area as per the [Special Educational Needs and Disability code of practice: 0 to 25 years \(January 2015\)](#).
6. The provider must ensure owners and all staff members are aware of their duties in relation to the SEND Code of Practice and the Equality Act 2010.
7. The local authority shares regular communications and updates regarding Early Years SEND via [The Link](#) and through termly SENDCo meetings.

## SEND Funding

Information about the local early years SEN Inclusion Fund, the Early Years Inclusion Grant and the Disability Access Fund is available in Appendices B, C and D of this provider agreement. To support high quality Early Years inclusive practice, it is expected that providers are actively engaged in the Dingley's Promise Early Years Inclusion Project.

## Disability Access Fund (DAF)

This is an annual fixed lump sum payment of £800 per eligible child per year, paid to early years settings that are providing a free universal entitlement place for **three and four year olds in receipt of Disability Living Allowance**. The purpose of the fund is to support early years providers to make initial adjustments, build on the capacity of their setting to support disabled children and aid access to places.

Please note that four year olds in primary school reception classes are not eligible for DAF funding. Providers should see appendix C for further information about the DAF funding.

## Special Educational Need (SEN) Inclusion Grant

The Early Education Team manages a small fund to enable early years providers to cater for the support needs of children aged **2, 3 and 4 years old** where additional care or resources are required to support transition or emerging need. The grants from this fund are intended to be used as a contribution towards providing additional resources and support for children with emerging needs and are not for the funding of long-term staffing costs.

## Early Years Inclusion Fund

The Early Years Inclusion Grant funding is the funding for specific staffing for children with high level needs and must be approved by the SEND Panel. It is £14 per hour for up to 15 hours a week for up to 22 weeks (total of £4620) and is generally a precursor to applying for Statutory Assessment. This funding is currently available for any children displaying high level needs under 5 years old. Providers should use Appendix D if they feel they have children that meet this criterion.

## Local Offer

8. The local authority expects a provider to update their local offer regularly and review at least once a term. Local offer information is collected and collated by Slough's Family Information Service (FIS) and made available through the [Slough's Family Information Service Website](#): Local Offer.
9. The local authority must be clear and transparent about the support on offer in their area, through their Local Offer, so parents and providers can access that support. Slough parents can access each [provider's local](#) offer.
10. The Early Education Team expects early years settings to provide for all children and the Principal Area SENDCo offers support to providers about matters relating to inclusion and provision for specific needs. A school's SENDCo provide this service for their schools.

## Eligibility 2, 3 and 4 year olds

11. Slough Borough Council expects each provider to have sight of a child's birth certificate or passport to verify their age. The provider can retain paper or digital copies of documentation to enable the local authority to carry out audits and fraud investigations. Where a provider retains a copy of documentation this must be

stored securely and deleted when there is no longer a good reason to keep the data. Please refer to the data [privacy guidance](#).

## Parent Declaration

12. Slough Borough Council expects all early years' providers (including schools) to obtain written consent from parents/carers to share personal data with the local authority and this can be obtained using the parent declaration in appendix A.
13. Slough Borough Council will fund free entitlement places for all eligible children from the start of the term **after** eligibility has been confirmed.

## Eligibility: 2 year olds

14. Two year olds are eligible for 570 hours of funded early years provision, starting in the term after they become two, if the family are in receipt of:
  - Income Support
  - income-based Jobseeker's Allowance (JSA)
  - income-related Employment and Support Allowance (ESA)
  - Universal Credit, and your household income is £15,400 a year or less after tax, not including benefit payments
  - child tax credits, and your household income is £16,190 a year or less before tax
  - the guaranteed element of Pension Credit
  - the Working Tax Credit 4-week run on (the payment you get when you stop qualifying for Working Tax Credit)

2-year-olds can also get free childcare if they:

- are looked after by a local authority
- have a statement of [special education needs \(SEN\)](#) or an education, health and care (EHC) plan
- get [Disability Living Allowance](#)
- have left care under an adoption order, special guardianship order or a child arrangements order

If you're a non-EEA citizen who cannot claim benefits

Your 2-year-old may get free childcare if you are getting [support under the Immigration and Asylum Act](#) and have either:

- [claimed asylum](#) in the UK and are waiting for a decision (known as 'part 6')
- been refused asylum in the UK (known as 'section 4')

A 2-year-old you care for may also get free childcare if your household income is £15,400 a year or less after tax, and you have any of the following:

- leave to remain with 'no recourse to public funds' on [family or private life grounds](#)
- support from your local council because you have 'a child in need', for example they have a disability or a child protection plan
- the right to live in the UK because you're the main carer of a British citizen (known as a ['Zambrano Carer'](#))

## Application process for 2 year old entitlement

Parents can apply for a 2 year old place online via the Slough Borough Council website [‘Slough early years’](#).

The eligibility checking process incorporates information held by a number of government departments. In some cases, further details and evidence of income may be required. For example, the local authority would require evidence that the child is in receipt of DLA, such as a recent awards letter.

When an application has been submitted all applicants will receive a reference number and confirmation of the outcome of their application.

If the applicant is eligible the parents must give their reference number to their chosen provider. **Providers are required to verify the eligibility of the reference number before confirming a place with the family.** To do this providers are required to have an account with, and log into, the 2 year old application system via ‘Early Years Provider Portal’. For more information about accessing the ‘Early Years Provider Portal’ please see paragraph 69.

Slough will continue to encourage providers to offer funded places for two year olds and will expect providers to supply the Early Education Team / Family Information Service with regular updates about the number of places available.

## Eligibility 3 & 4 year olds Universal Entitlement

15. All three and four year olds are entitled to 570 hours of funded early years provision (15 hours per week) from the start of the term beginning on or following the date set out below until the child reaches compulsory school age (the beginning of the term following their fifth birthday) or starts in a reception class in a state funded school. Eligible 3 & 4 year old children attending an independent school will receive funded early education entitlements until they reach statutory school age.
- For children born 1<sup>st</sup> January to 31<sup>st</sup> March the start date is the 1<sup>st</sup> April following the child’s 3<sup>rd</sup> birthday
  - For children born 1<sup>st</sup> April to 31<sup>st</sup> August the start date is the 1<sup>st</sup> September following the child’s 3<sup>rd</sup> birthday.
  - For children born 1<sup>st</sup> September to 31<sup>st</sup> December the start date is 1<sup>st</sup> January following the child’s 3<sup>rd</sup> birthday.

## Application process for 3 & 4 year olds Universal Entitlement

Parents can apply directly to their chosen provider, following the provider’s admission policy. Providers must obtain the appropriate paperwork and consents (see paragraphs 70 and 71).

## Eligibility 3 & 4 year olds Extended Entitlement

16. Three and four year olds are entitled to the ‘extended entitlement’ of 1140 hours of funded provision (30 hours) if the child has reached the term after their third birthday (see above) and the child’s parents meet the [eligibility criteria](#) set out below:

- The parent of the child (and their partner where applicable) should be in [qualifying paid work](#)\*. Each parent or the single parent in a lone parent household will need to expect to earn the equivalent of 16 hours at the national living wage or their national minimum wage over the forthcoming quarter. Part of the definition of qualifying is the parent expects to start or return to work within 31 days of their application.
- Where one or both parents are in receipt of benefits in connection with sickness or parenting, they are treated as though they are in paid work.
- Where one parent (in a couple household) is in receipt or could be entitled to be in receipt of specific benefits related to caring, incapacity for work or limited capability for work that they are treated as though they are in paid work.
- Where a parent is in a start-up period (i.e., they are newly self – employed) they do not need to demonstrate that they meet the income criteria for 12 months in order to qualify for the extended entitlement.
- If one parents' income exceeds £100,000 the family will not be eligible for the extended entitlement.
- A parent is classed as being in paid work if they expect to start work/return within 31 days.
- Children in foster care will be able to receive 30 hours free childcare, if the following criteria are met:
  - Accessing the extended hours is consistent with the child's care plan, placing the child at the centre of the process and decision making, and
  - In single parent foster families, the foster parent engages in paid work outside their role as a foster parent.
  - In two parent foster families, both partners engage in paid work outside their role as a foster parent. If one partner is not a foster parent, then they must be in qualifying paid work and earn a minimum of the equivalent to 16 hours at national minimum/national living wage.

### **Application for 3 & 4 year old Extended Entitlement**

- Parents apply for the extended entitlement through an online eligibility checking system developed by Her Majesty's Revenue and Customs (HMRC): [Apply Now](#).
- To obtain a copy of a Foster Carer application form please email [earlyyears@slough.gov.uk](mailto:earlyyears@slough.gov.uk).
- An application form must be obtained from the authority that is looking after the child and is therefore the child's corporate parent.
- The application form will be completed by the foster parent and be counter-signed by a designated person determined by the responsible local authority to confirm eligibility.

- Foster parents will be required to reconfirm their eligibility every three months to mirror the existing process and support the work enabling objective of the 30 hours policy.
  - Agreement that the foster parents can take up the extended hours should be recorded and the care plan for the child should be updated as appropriate. Further guidance on the application process for foster carers can be found in the [Early Years entitlements: operational guidance, For Local authorities and providers, June 2018.](#)
17. Alongside the 30 hours eligibility code, which is the child's unique 11 digit number, and original copies of documentation, (see paragraphs 70 and 71) a provider must acquire written consent from the parent using the parental declaration form at Appendix A which asks the parent for the necessary information and consents.
18. An extended entitlement place can be secured with a provider from the term after the child turns 3 and the application process has generated a start date. The start date issued with the 11 digit code identifies the date the application was completed via the parent's Childcare Services account. Providers can offer an extended entitlement place the term after the identified start date **and once the code has been validated by the provider.**
19. Local authorities are encouraged to consider securing the additional free hours for parents who have applied (or reconfirmed) by the deadline but received their valid 30 hours eligibility code after the beginning of term, up to the dates set out below.
- Parent applied / reconfirmed by 31st August – but code with validity start date between 1st - 14th September
  - Parent applied / reconfirmed by 31st December – but code with validity start date between 1st -14th January
  - Parent applied / reconfirmed by 31st March – but code with validity start date between 1st - 14th April
20. Local authorities are not expected to secure the additional free hours where the parent has applied after the 31st August, 31st December or 31st March nor for any codes issued after the relevant dates set out above.
21. Please be aware that if a parent reconfirms late i.e., after their code's 'validity end date' then the 'validity start date' will change to the date of the successful reconfirmation. This is required to show that there was a gap in eligibility.

### Example

A child is in a place in the spring term, and has a reconfirmation date of 7 March, and grace period end date of 31 August.

- Parent reconfirms late, e.g., on 8 April. The start date will now change to 8 April, and therefore your system may flag that this parent is not eligible for a 30 hours place in the summer term.
- However, the parent is in their grace period which covers them till the end of August, and is therefore eligible to continue their 30 hours place in the summer term.

22. The Early Education Team will support the process to confirm the validity of 30 hours eligibility codes through the [Early Years Provider Portal](#). This will support providers to carry out eligibility checks themselves. See paragraph 69 for more information regarding the Early Years Provider Portal.

## Validating 30 hour Codes

23. Providers **must** search for the child first by using the "find a child" search box. Failure to do so could cause complications with their Headcount submission. If you find the child using the "find a child" search box, please click on their name. Their information will move into the relevant "run a new check" box which you can then complete and run a check against. If you don't find them using the "find a child" search box, press "child not found" and will be prompted "Do you want to add a new child" you may at that point enter their information directly into the "run a new check" boxes.
24. Parents can verify their own 30 hour code via their account using the ['Citizen Portal'](#).

## Audit checks for 30 hour Codes

25. The Early Education Team will complete audit checks to review the validity of eligibility codes for children who qualify for 30 hours free childcare within the working week of the dates outlined in the table A below.
26. The Early Education Team will alert providers that they may have parents who have yet to revalidate their codes and are at risk of falling out of eligibility.
27. It is a parent's responsibility to reconfirm their eligibility before their end date.

**Table A:**

Date parent receives ineligible decision on reconfirmation:	LA audit date:	Grace Period End date:
1 January – 10 February	11 February	31 March
11 February – 31 March	1 April	31 August
1 April – 26 May	27 May	31 August
27 May – 31 August	1 September	31 December
1 September – 21 October	22 October	31 December

<b>Date parent receives ineligible decision on reconfirmation:</b>	<b>LA audit date:</b>	<b>Grace Period End date:</b>
22 October – 31 December	1 January	31 March

## **The Grace Period (Extended Entitlement)**

28. A child will enter the grace period when the child's parents cease to meet the eligibility criteria set out in the Childcare (Early Years Provision Free of Charge) (Extended Entitlement) Regulations 2016, as determined by HMRC or a First Tier Tribunal in the case of an appeal.
29. Providers can access the eligibility checking service via the early years provider portal to check if a child has ceased to meet the eligibility criteria and entered the grace period. The grace period end date will automatically be applied to eligibility codes.
30. Slough Borough Council will continue to fund a place for a child who enters the grace period. Funding will end when the grace period ends unless eligibility is reconfirmed.
31. If a parent falls into their grace period before their child has started a 30 hour place, they should not take up a 30 hour place. A child attending a setting cannot move to another provider whilst in their grace period.
32. Slough will notify providers, following each half term that they may have parents with children attending their setting who have fallen into their grace period. All providers are advised to check the details regarding parents in their grace periods on the early years provider portal expiration dashboard.
33. The 'validity start date' is the date on which the parent has applied and been issued with a code. The 'validity end date' is the parent's 'deadline' for reconfirming. Their 'grace period' date is the last date on which they should receive their 30 hours place.

## **Flexibility: relating to 2, 3 and 4 year old places**

34. Provision must be offered within the national parameters on flexibility as set out in Section A2 of Early Education and Childcare Statutory guidance for local authorities. To this end the Early Education Team will:
  - Consult with parents and involve them in local assessments of demand for flexibility directly through childcare sufficiency work.
  - Act as a broker between overall parental demand in an area and provider capacity, seeking to provide the maximum possible flexibility for parents. Inform providers of sufficiency information and support them to establish clear communications with parents that outline charges and offers of funded places in an informative and transparent manner.
  - Facilitate meetings and briefings to encourage strong partnership working between providers from all sectors to offer maximum flexibility for parents to access funded hours that meet their needs and the needs of their child.

- Encourage providers to offer flexible packages of funded hours that meet the statutory guidance standards outlined below:
  - No session longer than 10 hours
  - No minimum session length (subject to the requirements of registration)
  - Availability between the hours of 6am to 8pm
  - A maximum of two sites per day
- Ensure that, wherever possible, children are able to take their funded hours in continuous blocks, avoiding artificial breaks.
- Ensure that parents and providers are made aware that funded places can be delivered outside of maintained school term times and at weekends, for up to 52 weeks of the year.
- Ensure that parents and providers are aware that there is no requirement that funded places must be taken on or delivered on particular days of the week or at particular times of the day.
- Ensure that parents and providers are aware that there is no requirement for providers to be open for at least 38 weeks of the year, or that providers must offer 30 hours in order to receive monies to deliver funded places.
- Providers who operate for less than 30 hours are encouraged to work in partnership with other providers to meet the extended entitlement needs of their families.
- Ensure that providers are aware that they can choose not to deliver funded places.
- Ensure parents are aware that the entitlement to a funded place does not offer a guarantee of a place at any one provider or a particular pattern of provision.
- Ensure parents and providers are aware that a child's funded place can be taken in patterns of hours that 'stretch' a child's entitlement by taking fewer hours a week over more weeks of the year. For example, a 570 hour entitlement can be taken as just under 12 hours per week for 48 weeks of the year.
- Encourage providers to use the Family Information Service to maintain a record on the Slough's Family Information Service Website of their funded places and opening times to support parents with identifying providers who can offer funded places on the days and at the times they need.
- Encourage providers to work with parents to ensure continuity of care for children and effective transitional arrangements where a child takes up a funded place at more than one provider or on more than one site.
- Use the Family Information Service and the development of partnership working arrangements to publicise childminders and other providers of wraparound provision in specific areas and help match providers with parents.
- Make full use of the maintained nursery schools in offering the 30 hours entitlement and supporting the development of high-quality local provision.

35. The Early Education Team encourages providers to publish information about their admissions criteria, funded place hours, opening hours, funded place availability and charges on the Slough's Family Services Website. This process is supported by the Family Information Service.
36. Providers are reminded that an offer to an individual family may require a mix of funded and non funded hours.
37. Slough Borough Council encourages providers to discuss the benefits of a stretched offer with working parents. Where a family is accessing their entitlement with more than one provider the universal and extended entitlement providers should be clearly stated on the **Parental Declaration Form** and this information should be used to submit headcount data via the Early Years Provider Portal to facilitate payments (please see paragraphs 80 - 92).
38. Providers needing to create new or more effective partnership working can contact the local authority for advice and support. There is also useful information available at: [Family and Childcare Trust](#).
39. The local authority requires providers to complete an annual provider audit for sufficiency purposes.

## Charging

40. The Early Education Team reminds providers that parents / carers have the right to access funded early education without incurring charges or additional services as a condition for obtaining a free entitlement place.
41. The provider can charge for meals and snacks as part of a free entitlement place, and they can also charge for consumables such as nappies or sun cream and for services such as trips and musical tuition. Parents should therefore expect to pay for these, although these charges must be voluntary for the parent. Where parents are unable or unwilling to pay for meals and consumables, providers who choose to offer the free entitlements are responsible for setting their own policy on how to respond, with options including waiving or reducing the cost of meals and snacks or allowing parents to supply their own meals. Providers should be particularly mindful of the impact of additional charges on the most disadvantaged parents.
42. Providers can access further information about lunchtime provision and additional charges in the resources/ business planning section of: [Childcare Works](#).
43. The provider should deliver the free entitlements consistently so that all children accessing any of the free entitlements will receive the same quality and access to provision, regardless of whether they opt to pay for optional hours, services, meals or consumables.
44. The council will not intervene where parents choose to purchase additional hours of provision or additional services, providing that this does not affect the parent's ability to take up their child's free place. The provider should be completely transparent about any additional charges.
45. The provider should publish their admissions criteria and ensure parents understand which hours/sessions can be taken as free provision. Not all providers will be able to offer fully flexible places, but providers should work with parents to ensure that as far as possible the patterns of hours are convenient for parents' working hours.

46. The Early Education Team advises that once the child / family have established a settled pattern of attendance any deposit should be returned.
47. The provider cannot charge parents “top-up” fees (the difference between a provider’s usual fee and the funding they receive from the local authority to deliver free places) or require parents to pay a registration fee as a condition of taking up their child’s free place.
48. The provider should ensure their invoices and receipts are clear, transparent and itemised, allowing parents to see that they have received their free entitlement completely free of charge and understand fees paid for additional hours. The provider will also ensure that receipts contain their full details so that they can be identified as coming from a specific provider.
49. The Early Education Team will facilitate opportunities for sharing best practice and exemplars at managers’ forums and / or cluster meetings.

## Partnership working

50. The Early Education Team will support partnerships through various different means including running network/cluster meetings, training opportunities, steering groups, transition sessions, family events, and the sharing of information and advice via TheLink Website and the Family Information Service.

These initiatives will support partnerships between:

- Local authorities and providers
  - Providers working with other providers, including childminders, schools and organisations
  - Providers and parents
  - Local authorities and parents
51. Providers should work in partnership with parents, carers and other providers to improve provision and outcomes for children in their setting. An interactive toolkit has been developed to help providers set up or join a partnership, maximise the benefits of working together and tackle the challenges joint working can bring.
  52. Providers can access the toolkit at [Family and Childcare Trust](#).
  53. All providers should work in partnership with parents and other providers to consider smooth transitional arrangements which promote positive outcomes for all children involved.

## Social mobility and disadvantage

54. The local authority should promote equality and inclusion, particularly for disadvantaged families, looked after children and children in need by removing barriers of access to free places and working with parents to give each child support to fulfil their potential.
55. The provider should ensure that they have identified the disadvantaged children in their setting as part of the process for checking **Early Years Pupil Premium (EYPP) eligibility**. They will also use EYPP and any locally available funding streams or support to improve outcomes for this group.
56. In Slough, Early Years providers who care for children meeting the Early Years Pupil Premium criteria will receive a deprivation supplement and the Early Years

Pupil Premium for each of these children. These monies must be used to support the children's development. For information about EYPP criteria please see Appendix A.

57. For children who meet the income criteria all checks will be processed in accordance with headcount submissions. Please see paragraph 58 for children who meet the 'other' criteria for EYPP such as:
- they are currently being looked after by a local authority in England or Wales
  - they have left care in England or Wales through:
  - an adoption order
  - a special guardianship order
  - a child arrangements order
58. The provider will need to be made aware of the specific circumstance that makes the child eligible and this could be recorded on the parent declaration form. Providers will be expected to share this information with the local authority via the telephone, outlining who they would like to claim EYPP funding for and what criteria is met. Providers will also be expected to support the local authority to establish the validity of the eligibility claimed.

## Quality

59. The Early Years Foundation Stage (EYFS) statutory framework is mandatory for all schools that provide early years provision and Ofsted-registered early years providers in England. The EYFS sets the standards that all early years providers must meet to ensure that children learn and develop well and are kept healthy and safe.
60. Ofsted are the sole arbiter of quality for all free entitlements and Ofsted and inspectorates of independent schools have regard to the EYFS in carrying out inspections and report on the quality and standards of provision.
61. The Early Education Team provides information, advice and training on meeting the requirements of the EYFS, meeting the needs of children with SEND and on effective safeguarding and child protection for providers who are rated less than 'Good' by Ofsted or newly registered providers.
- Information and advice from Slough's Advisory Team can be accessed by phoning 01753 476554 or emailing [earlyyears@slough.gov.uk](mailto:earlyyears@slough.gov.uk).
62. The Early Education Team offers providers with a less than good outcome the opportunity of developing a Focused Improvement Partnership Plan (FIPP). This outlines joint targeted work designed to address each of the Ofsted statements about what the setting needs to do to improve.
63. It is the intention of the Early Education Team to ensure that, as far as possible, funded early education places are delivered by providers who have achieved an overall rating of 'outstanding' or 'good' in their most recent Ofsted inspection report. However, where there is not sufficient, accessible good or outstanding provision Slough may need to fund places in settings with an outcome of Requires Improvement. Places will also be funded at a provider judged Requires Improvement at a parent's request.
64. When Ofsted publish an inspection judgement for a provider including Childminder Agencies, of 'inadequate' or when a Childminder Agency notifies us that a childminder is not of appropriate quality, funding will be withdrawn from that provider as soon as is practicable, after the end of that funding period. When

considering the withdrawal of funding the Early Education Team will take into account continuity of care for the children who are already receiving their free hours at a provider or with an agency registered childminder as well as any available Ofsted monitoring or re-registration information.

65. The council will support families to seek alternative provision for their children if they are attending a setting where funding has been withdrawn.
66. Where a local authority-maintained school is judged by Ofsted to require significant improvement or is placed in special measures Slough Borough Council will take appropriate action to improve the quality of provision. The Early Education Team supports school improvement services within the early years foundation stage.
67. Providers who do not actively promote fundamental British values will not be funded by the Early Education Team. Providers promoting views or theories contrary to established scientific or historical evidence will not be funded.

## **Business planning and funding process**

68. The Early Education Team supports the processing of funded entitlement checks and data submissions via an 'Early Years Provider Portal' All approved providers will be given access to the Early Years Provider Portal once the required paperwork and relevant checks are submitted to the Early Years Service. For further information or to request access to the Early Years Provider Portal please email [earlyyears@slough.gov.uk](mailto:earlyyears@slough.gov.uk).
69. The [Early Years Provider Portal](#) enables providers to:
  - Check the validity of codes for 2 year olds
  - Check 30 hour codes
  - Submit headcount data including the details of children and their parents in order to receive funding
  - Update provider details via the Self update Portal
  - Submit census information
70. The Early Education Team expects all providers to facilitate the completion of parental declaration forms, see Appendix A, for all children being offered a funded place. This provides the setting with the information required to complete headcount submissions and consent to share information with the local authority so that appropriate eligibility checks can be made. It is vital that this form is completed fully and accurately, to enable the local authority to complete all census data (including ethnicity) and provide EYPP for all qualifying families.
71. Parent Declaration Forms do not need to be routinely sent to the local authority but may be asked for as part of an audit, compliance check or complaint resolution.
72. Parents eligible for the extended entitlement must indicate on the parent declaration form which setting is their choice as the provider of universal entitlement and which is their extended entitlement provider.
73. Parents can choose for their child to take their universal entitlement (and extended entitlement) at up to 2 sites per day. These sites should be named on the parent declaration form.

74. During the spring term all providers receive an overview of their estimated yearly funding allocation including a breakdown of their typical monthly payment for the next financial year.
75. PVI providers' monthly amounts will be calculated by reviewing actual place provision over a twelve-month period.
76. The Early Education Team administers monthly payments to all settings. Monthly payments will be made to PVI providers via a direct payment arrangement and will be in the providers accounts by the first working day of each month.
77. All settings are advised to review their annual overview and to contact the Early Education Team if they are projecting unusually high or low participation numbers for the forthcoming year. The Early Education Team will then use these figures to aggregate the monthly amounts.
78. Please note schools receive their payment schedule for the year including their monthly payments directly from school finance.

Example:

Setting A claims for 4,920 2 year old hours for 2022-23

13,307 universal 3 & 4 year old hours for 2022-23

2,487 extended entitlement hours for 2022-23

195 EYPP and deprivation hours

These hours, using the 2022-23 hourly rates total £118,718.30

The monthly payments will be £118,718.30 divided by 12 = £9,893.19

The payments will be made by Direct Payment into the setting's bank account

79. Each provider will be required to submit termly headcount data to the local authority. A headcount task will be sent to a provider via the Early Years Provider Portal. The table below outlines the dates when a headcount task is due.

**Table B:**

Term/ Funding Period	'Forecast Headcount' end date	'Actual Headcount' end date	Final adjustment Payment date
Summer 2022 April – July	01/04/2022	19/05/2022	N/A
Autumn 2022 Sept – Dec	14/07/2022	06/10/2022	N/A
Spring 2023 Jan - March	08/12/2022	19/01/2023	31/03/2023

80. Tasks will be live on the system approximately two weeks prior to the task end date.

81. A headcount task provides the local authority with a record of each child's details including their attendance and parent information. The information submitted will be used by the local authority to check for additional funding entitlements such as EYPP and maintain a central record of the entitlements being received. This information will be used to generate a financial statement.
82. Following the submission of a task via the provider portal settings will receive a statement. All information on the statement should be checked thoroughly for accuracy. It is essential that the list of children being claimed for, and their attributed hours are accurate at the point of task completion. If any information is incorrect or missing such as the start and/or end dates, funded hours, or missing carer's details then payments will not be made.
83. Settings can request an adjustment task following each funding period to appropriately fund any headcount changes. This payment will be made at the end of the financial year, unless there are exceptional circumstances. See table B.
84. Adjustment payments will be based on actual headcount of the 2, 3 and 4 year olds and will be calculated on total number of hours attended during the funding period (not exceeding 570 hours per year in the case of 2 year olds and 3 & 4 year universal entitlement and 1140 hours per year for children in receipt of extended entitlement). If a child leaves a setting after the headcount date the system will instigate an adjustment to be applied, either as a carry over to the next funding period or as a request for a repayment. (An actual headcount includes the hours when a child has not attended the setting due to illness.)
85. Please note that the Early Education Team advises providers to monitor child attendance carefully and question absence of more than 30 hours in any funding period. Evidence of this may be required for a compliance check or audit. If providers are unable to explain absences and there is no evidence of contact with parents, the Early Years Service may request repayment of the claimed hours.
86. In the event of payments being made in excess of the entitlement, reimbursement will be requested from the provider, or a payment adjustment will be carried over into the next funding period.
87. Adjustment payments can only be made within the financial year and when approaching the end of the financial year it is the provider's responsibility to inform Slough Borough Council of any final adjustments.
88. When a provider wants to start a new child after headcount data has been submitted, they are required to check with the Early Education Team that the child is not already in receipt of their full entitlement with another provider.
89. If you have any starters or leavers after headcount date it is your responsibility to request an adjustment task to record this information. If you fail to notify us we will not be able to make any adjustment payment.
90. Requests for adjustments or the resetting of tasks outside of the usual task schedule, see table B, may be subject to an additional charge of £50 per request.
91. The provider should maintain accurate financial and non-financial records relating to free entitlement places and should give the local authority access on reasonable notice to all financial and non-financial records relating to free entitlement places funded under the provider agreement, subject to confidentiality restrictions.

92. If a provider is planning permanent closure or relocation out of the authority they must notify the Early Education Team as soon as reasonably practicable to ensure accurate financial distribution is made.

## The funding process in Slough

93. Providers will be funded at the hourly rates in the table C below in 2022-23. Extended entitlement hours will be paid at the same rate as the universal entitlement rate.

**Table C**

Age group	Hourly rates for Private, Voluntary, Independent settings, maintained nursery schools and childminders	Early years provision in Primary schools
3 & 4 year old	£5.65	£5.65
2 year olds	£5.94	£5.94

94. The Early Education Team will calculate funding by determining the **actual hours** the child attends the setting. **The date the child starts at a setting marks the start of the funding and the last date they attended marks the end of the funding.**
95. If a child is already attending a setting and the parent chooses to transfer the child part way through the term to another provider, both providers and the parent should agree the end and start dates, as **Slough Borough Council will not double fund a child.**

## Maintained schools sector

96. Maintained schools in Slough receive Early Years funding initially using an annual estimate of take up based on the previous financial year. The Early Education Team and School Finance will work in partnership to ensure that payments are made monthly by the Schools Finance Team for schools, adjustment payments will be made following the submission of the actual headcount task that captures the actual take up of free entitlement hours.

## Additional Funding Supplements for Universal 3 and 4 year olds

	Hourly rates
Deprivation	£0.72
EYPP	£0.60

97. An hourly deprivation supplement and Early Years Pupil Premium is payable for children who meet the free school meals criteria. See appendix F.

## EYPP checks

98. All providers will be set a forecast headcount task before the start of term to enable the local authority to process early checks for providers to establish which children will be attracting Early Years Pupil Premium and deprivation funding. It is vital that you provide accurate names, NI numbers and dates of birth of all parents to enable the local authority to do so.

99. Providers will be required to submit an actual headcount submission in line with census dates (please see table B). Following the actual headcount entry, the Early Education Team will generate a table for each provider to outline which children will be in receipt of deprivation and EYPP funding, a summary of each child's entitlement and spot payments (DAF) where applicable.
100. For examples of how to spend EYPP please refer to [EYPP ideas in funding allocation](#) and examples of how to use DAF please refer to appendix K

## **Compliance**

101. Slough Borough Council has a legal duty to monitor providers' delivery of the funded entitlements to ensure compliance with the principles, processes and procedures outlined in the Department for Education's 'Model Agreement: Early years provision free of charge and free childcare' (June 2018) and this provider agreement. These checks will take the form of a rolling programme of audits that aim to monitor the compliance of all providers, utilising a sampling process whilst retaining capacity to respond to parental concerns.
102. The Early Education Team and the Family Information Service will consider the variety of information that providers supply to parents. This will include but not necessarily be limited to the provider's website, local offer statements, contracts, fee structures, invoices, partnership working arrangements, and the registration process and welcome packs.
103. As part of the compliance check the Early Education Team will need to see providers' documentation. There is no expectation that providers will need to create documentation for this checking process but requested documentation will need to be provided in a timely manner, within 28 working days of the request.

## **Termination and withdrawal of funding**

104. Once a suspension of registration or an Ofsted outcome of inadequate has been published the local authority will notify the provider of any local authority decision to terminate funding. The provider will receive information about the timing of the withdrawal of funding in line with the procedures outlined in paragraph 64. This notification about withdrawal of funding will refer to a timescale starting at the beginning of the next funding period.

## **Appeals process**

1. A Slough provider who has their funding withdrawn or is denied approval to offer the free entitlements can appeal by writing to the Associate Director Education and Inclusion at the address below within 14 days of receipt of the termination notice referred to above.  
Associate Director Education and Inclusion, Observatory House, 25 Windsor Road, Slough, SL1 2EL.

## **Complaints process**

2. Parents wishing to complain about matters related to the funding of a universal or extended entitlement should, in the first instance, discuss this with their provider and if they feel the matter is unresolved the parent may contact the Early Education Team.

**Telephone** the Early Education Team on 01753 476554 or, **Email** [earlyyears@slough.gov.uk](mailto:earlyyears@slough.gov.uk) or **Write** to the Early Education Team, Observatory House, 25 Windsor Road, Slough, SL1 2EL

3. The Early Education Team will try to resolve the parents concern and will respond to the complaint using the parents preferred contact method within 28 days of receiving the complaint through the above contact channels.
4. Slough providers must produce their own complaints procedure in line with statutory guidance but may also refer to the process outlined above for complaints that they are unable to resolve.
5. If a parent or provider is not satisfied with the way in which their complaint has been dealt with by the local authority or believes the local authority has acted unreasonably, they can make a complaint to the local authority Ombudsman. Such complaints will only be considered when the local complaints procedures have been exhausted.

## **Appendix A - Parent Declaration Form: Funded Early Education for 2, 3 & 4 year olds and universal free school meals**

You can use this form to apply for funded early education for 2, 3 & 4 year olds and universal free school meals. Once you have completed this form and signed the declaration your provider can share the information with sources as allowed by law to verify your initial, and ongoing, entitlements. You need to agree and complete this Declaration Form with each setting your child attends for their early education entitlement in order to ensure that funding is paid fairly between them. If your child is splitting their free entitlement across two or more providers please nominate the main setting where the local authority should pay the universal entitlement. Each provider must adhere to the terms of the Local authorities' provider agreement.

### **2 year old funding**

2 year olds from families in receipt of certain benefits, including working tax credit with an income of £16,190 or less per year. Children with an Education, Health and Care Plan or those attracting Disability Living Allowance are also entitled to a place. The criteria also include children leaving care through special guardianship, an adoption or residence order.

### **Universal 3 & 4 year old funding**

From the beginning of the term after a child's third birthday they are entitled to 570 hours a year of free flexible early years provision or *until the child reaches compulsory school age (the beginning of the term following their fifth birthday) or starts in a reception class in a state funded school. Eligible 3 & 4 year old children attending an independent school will receive funded early education entitlements until they reach statutory school age.*

### **Extended Entitlement for 3 & 4 year olds (30 hours)**

From the beginning of the term after a child's third birthday they may be entitled to 1140 hours a year of free flexible early years provision. You are eligible if both parents or carers (or the sole parent in a one parent family) work and earn more than £107 per week, if you are under 24 years old, but no more than £100,000 per year, or more than £120 per week if you are over 25 years old but no more than £100,000 per year. People who are self employed or on zero hour contracts will be required to make a financial statement of earnings when they apply.

### **Early Years Pupil Premium**

The Early Years Pupil Premium (EYPP) is an additional sum of money paid to early years providers for children of families in receipt of certain benefits. It is for three and four year olds who receive the universal 15 hours entitlement and they meet any of the following criteria: :

- Income Support / income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under part VI of the Immigration and Asylum Act 1999
- the guaranteed element of State Pension Credit
- Child Tax Credit (provided they are not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on, which is paid for 4 weeks after they stop qualifying for Working Tax Credit
- Universal Credit –if a parent is entitled to Universal Credit they **must** have an annual net earned income equivalent to and not exceeding £7,400, assessed on up to three of the parent's most recent Universal Credit assessment periods.

Or they are currently being looked after by a local authority in England or Wales, they have left care in England or Wales through; an adoption order, a special guardianship order or a child arrangements order

**Universal Free School Meals:** All government-funded schools must offer free school meals to every pupil in reception, year 1 and year 2.

## Terms and Conditions / Privacy Notice

I confirm that I am the legal parent/carer for the child(ren) on this form and that information provided is correct. I agree that you will use the information I have provided to process my claim to find out if I am able to claim for my child 2 year old funding, universal 3 & 4 year old funding, extended entitlement for 3 & 4 year olds, Early Years Pupil Premium and/or universal free school meals and will contact other sources as allowed by law to verify my initial, and ongoing, entitlement. I understand that my information will be checked using the Department for Education eligibility checking service and the results will be supplied to my child's provider/school.

I understand that if my child is splitting their free entitlement across two or more providers my nominated universal provider where the local authority should pay the universal entitlement funding is listed above as setting 1.

In collecting your data for the purposes of checking your eligibility for the 2-year-old, or 3 & 4-year-old universal and extended free entitlements, Early Years Pupil Premium (EYPP) or Disability Access Fund (DAF), Slough Borough Council is exercising the function of a government department. Slough Borough Council is authorised to collect this data pursuant to Section 13 of the Childcare Act 2006.

I agree to inform the provider / school of any change in my circumstances.

### Data Privacy

The Data Protection Act 2018 (the Act) puts in place certain safeguards regarding the use of personal data by organisations, including the Department for Education, local authorities, schools and other early education providers. The Act gives rights to those about whom data is held (known as data subjects), such as pupils, their parents and teachers. This includes:

- The right to know the types of data being held
- Why it is being held; and
- To whom it may be disclosed

Should you have any concerns relating to how your information or the information relating to your child/ren is being or will be used, please contact your provider or Slough borough Council. Please note that information about whether a child is in receipt of Disability Living Allowance is, under the Act, Special Category Data which should be handled appropriately. Providers are asked to pay particular note to advice from the Information Commissioner's Office on holding personal data including sensitive personal data available at: [ICO](#)

*Under the Data Protection Act 2018, we are required to gain your permission to keep personal details for you and your children on our database. Slough Borough Council and its agents may share this information with government and local authority departments and other authorised organisations for administrative, statistical and research purposes. For further information please visit: [Data Protections and FOI](#) Completing this form and signing it gives us your informed consent. If you are unable to access the provided links or wish to submit a query in relation to fair processing, please contact the data protection officer at [DataProtectionOfficer@slough.gov.uk](mailto:DataProtectionOfficer@slough.gov.uk)*

**I have read and understood the statements above. I understand that I if I have given any false information on this declaration I may be asked to reimburse the provider. I understand that checks on the system are made each half term.**

## **Appendix B - Early Years SEND Inclusion Grant**

### ***Slough Early Education: Special Educational Needs Inclusion Grant Guidance notes and process***

*To support the inclusion of children aged 2, 3 & 4 years old with low level / emerging special educational needs or disabilities (SEND) who attend registered early years provision.*

#### **Background**

The Early Education Team recognise that, despite the best efforts of providers to meet the needs of children with SEND, occasionally settings will need to implement strategies that are additional to or different from their typical provision. Therefore, the Early Years Service manages a small budget to enable Early Years providers to cater for the support needs of children aged 2, 3 & 4 years old where additional care or resources are required at additional cost.

The grant is intended to be used as a contribution towards providing additional resources and support for children with low level / emerging SEND where a provider is unable to meet the costs from their own funds, and is not necessarily expected to cover full costs or long term staffing costs.

It should be noted that Early Years settings are expected to provide for all children regardless of need and this should be taken account of within the business model. For more information, please refer to:

- Special Educational Needs and Disabilities Code of Practice
- Early Years Foundation Stage

It is important to emphasise that the Early Years Service cannot guarantee that this grant will continue or be maintained at the current levels in future years, and providers are reminded that they have a responsibility to meet the needs of children with SEND. Providers should not rely on this supplementary, short term funding as part of their long term business planning.

#### **Who can apply:**

Any registered Early Years provider who cares for children aged 2, 3 & 4 years old (excluding children in reception classes).

#### **What can we apply for?**

- Funding for specific resources
- Funding for targeted or bespoke training on specific issues or conditions
- Short term\* funding for additional capacity to support the inclusion for a specific child or groups of children which will enable the setting to be fully inclusive - where all other options have been tried/explored
- Support for transition arrangements, the grant is not intended to be used for children who require long term one to one adult support

Note: All grants are for funding revenue only and therefore cannot be spent on capital projects. If you are not eligible for this grant, there are a range of national and local

organisations who provide grants which may be appropriate. Grants streams are updated regularly and can be identified through internet searches.

### **What can't we apply for?**

- Funding for children from the Reception Year of School (Year R) upwards to access provision during the normal school working day

\*The applicant should determine the length required according to individual needs

- Funding to support a child where your setting is already in receipt of SEN funding<sup>1</sup>, unless there are exceptional circumstances. This is because this provision is already funded by Slough Borough Council from other sources
- Funding for a child accessing a setting outside of Slough local authority area

### **What are the principles underpinning this process?**

- The setting will explore the best ways to meet the child's needs prior to making an application and will discuss this with the child's parents/carers and the Senior Area SENCo or school SENCo.
- Alternatively the setting will have discussed with the Senior Area SENCo the overall inclusivity of the setting and explored all options prior to making an application
- The setting will engage with outside support agencies to meet the needs of the child/ren
- The setting will try to provide their own staffing solutions before making an application.
- The grant is intended to be used as a contribution towards staffing costs where a provider is unable to meet the costs from their own funds, and is not necessarily expected to cover full costs
- Where applicable robust risk assessments will be carried out and provided along with the application
- The grant is intended to be used as a contribution towards providing additional resources and support where a provider is unable to meet the costs from their own funds, and is not necessarily expected to cover full costs
- The settings Local Offer must be complete and updated within the last 2 years.

### **Criteria for grant applications:**

- Support the inclusion of a child who is in receipt of funded early education and is aged 2, 3 & 4 years old
- Support a child with low level / emerging special educational needs or disabilities (SEND) to access the early years curriculum and secure better outcomes

The grant could be used to:

- purchase resources or equipment which will be portable,
- training or continuous professional development relating to the specific needs of a child,
- Fund short term additional capacity for an individual child for a specific period of time, this could include transitional arrangements
- The grant is intended to be used as a contribution towards providing additional resources and support where a provider is unable to meet the costs from their own funds, and is not necessarily expected to cover full costs
- Where applicable the applicant is required to obtain external support for the child and explore other funding options with professionals / partners

---

1. Early Years 1:1 inclusion funding / Education Health and Care Plan funding

### **Supporting evidence:**

- An outline of the nature of the child's needs / difficulties / presenting special educational needs; how this creates a barrier to their inclusion and how you intend to use the early year's inclusion grant to improve outcomes for the child. Giving specific targets, anticipated outcomes and how these could be achieved (strategies).
- Provide evidence of the need for funding including an explanation of why this intervention is in addition to the overall provision
- Provide information on costs and how funding will be spent by completing the application process
- Ensure that any supporting evidence is concise and clearly related to the proposed benefits for the child/children. However all applications and the supporting evidence should be anonymised and should not include children's details.

### **Conditions of grant**

The items listed below are only intended to be an overview of the grant agreement you will sign with us. We will expect you to:

- Use the grant only for the purposes as detailed in your application
- If appropriate be registered by Ofsted under the Children Act 1989
- Have sound financial management systems to monitor expenditure of the grant, ensuring that receipts for all equipment or other items purchased with the grant are retained for at least five years
- Provide financial accounts covering the grant period upon request
- The Early Years Service reserves the right to request the return of all equipment or other items purchased with the grant if the grant agreement is breached or the setting closes within five years
- List any single item where expenditure on that single item is over £100 on an assets register and note it in the monitoring reports when they are requested
- Maintain a specific bank account for the organisation. The account must be dual-signatory, unless you are a sole trader and you must use your best endeavours to safeguard your bank arrangements against fraud on the part of directors, governors, staff or parents
- Have adequate and suitable insurance to cover all claims made by or on behalf of children, staff and visitors to the premises
- Provide monitoring information to us as requested detailing expenditure during the grant period
- Show the grant separately in your annual accounts as grant aid from Slough Borough Council
- Complete and keep up to date (every term) the records held by the Family Information Service on the Slough's Family Services Website including the Local Offer information

### **How to apply**

**You must discuss your application with the SENCo for your provision and/or any other professional working with the child/ren prior to submission.**

They will:

- 1 Provide initial advice and guidance about including children / a specific child
- 2 Support you in completing the application process for your setting, all supporting evidence must be anonymised.
- 3 Advise you about any training courses

*Please see below for the application process flowchart*

## **Funding process**

Proposals must show clearly where spending will occur. There is only limited funding and grants will only be given to providers who show a clear need for financial support with identifiable benefits for children.

The application part A form must be sent to [eyinclusion@slough.gov.uk](mailto:eyinclusion@slough.gov.uk). This will then be quality assured in line with the grant criteria, upon approval the applicant will be notified to complete part B of the application. The applicant is then required to submit part B and any supporting documentation to [eyinclusion@slough.gov.uk](mailto:eyinclusion@slough.gov.uk) which will then be submitted to the panel. All grant applications received will be reviewed by the panel (part A and part B will be submitted to the panel) and applicants will be notified of the outcome with in 30 working days. Where applicants request a quick turn around and there is capacity with in the panel, a 7 working day process will be applied.

Some applications may be unsuccessful and in this situation the applicant will be given some feedback and guidance on what amendments to make should they wish to resubmit at a later stage.

## **Payment of grant**

The grant will be paid within thirty working days of the receipt of an invoice and the signed grant agreement, split payments may be considered where it is deemed applicable by the panel. All settings are required to create an invoice that will be a request for the grant payment and upon receipt of the grant payment the setting will be able to make their purchases.

Following the panels approval the applicant will be sent a notification of the intention to award the grant and they will be asked to sign the legal 'grant agreement'. Once the legal grant agreement is signed by a Slough Borough Council representative and a copy is returned to the applicant the administrator is authorised to release the funding. Prior to signing the legal grant agreement the Slough Borough Council representative will conduct review of the application to ensure compliance with the grant criteria and terms and conditions. The compliance process could result in the withdrawal of the initial award. Where this applies the applicant will be notified accordingly.

The setting will be required to demonstrate how the grant was used and how this impacted on the outcomes for the child/ren. This may require completion of a short impact report and receipts of the grant spend will be required.

## **Who to contact for advice / guidance**

For further information or to discuss an application please speak to your settings SENDCo, the Principal Area SENCo or your Early Years Advisory Teacher and/or your Development Worker. If you are unsure who this is, please contact the Slough Early Years Service who will be able to assist you.

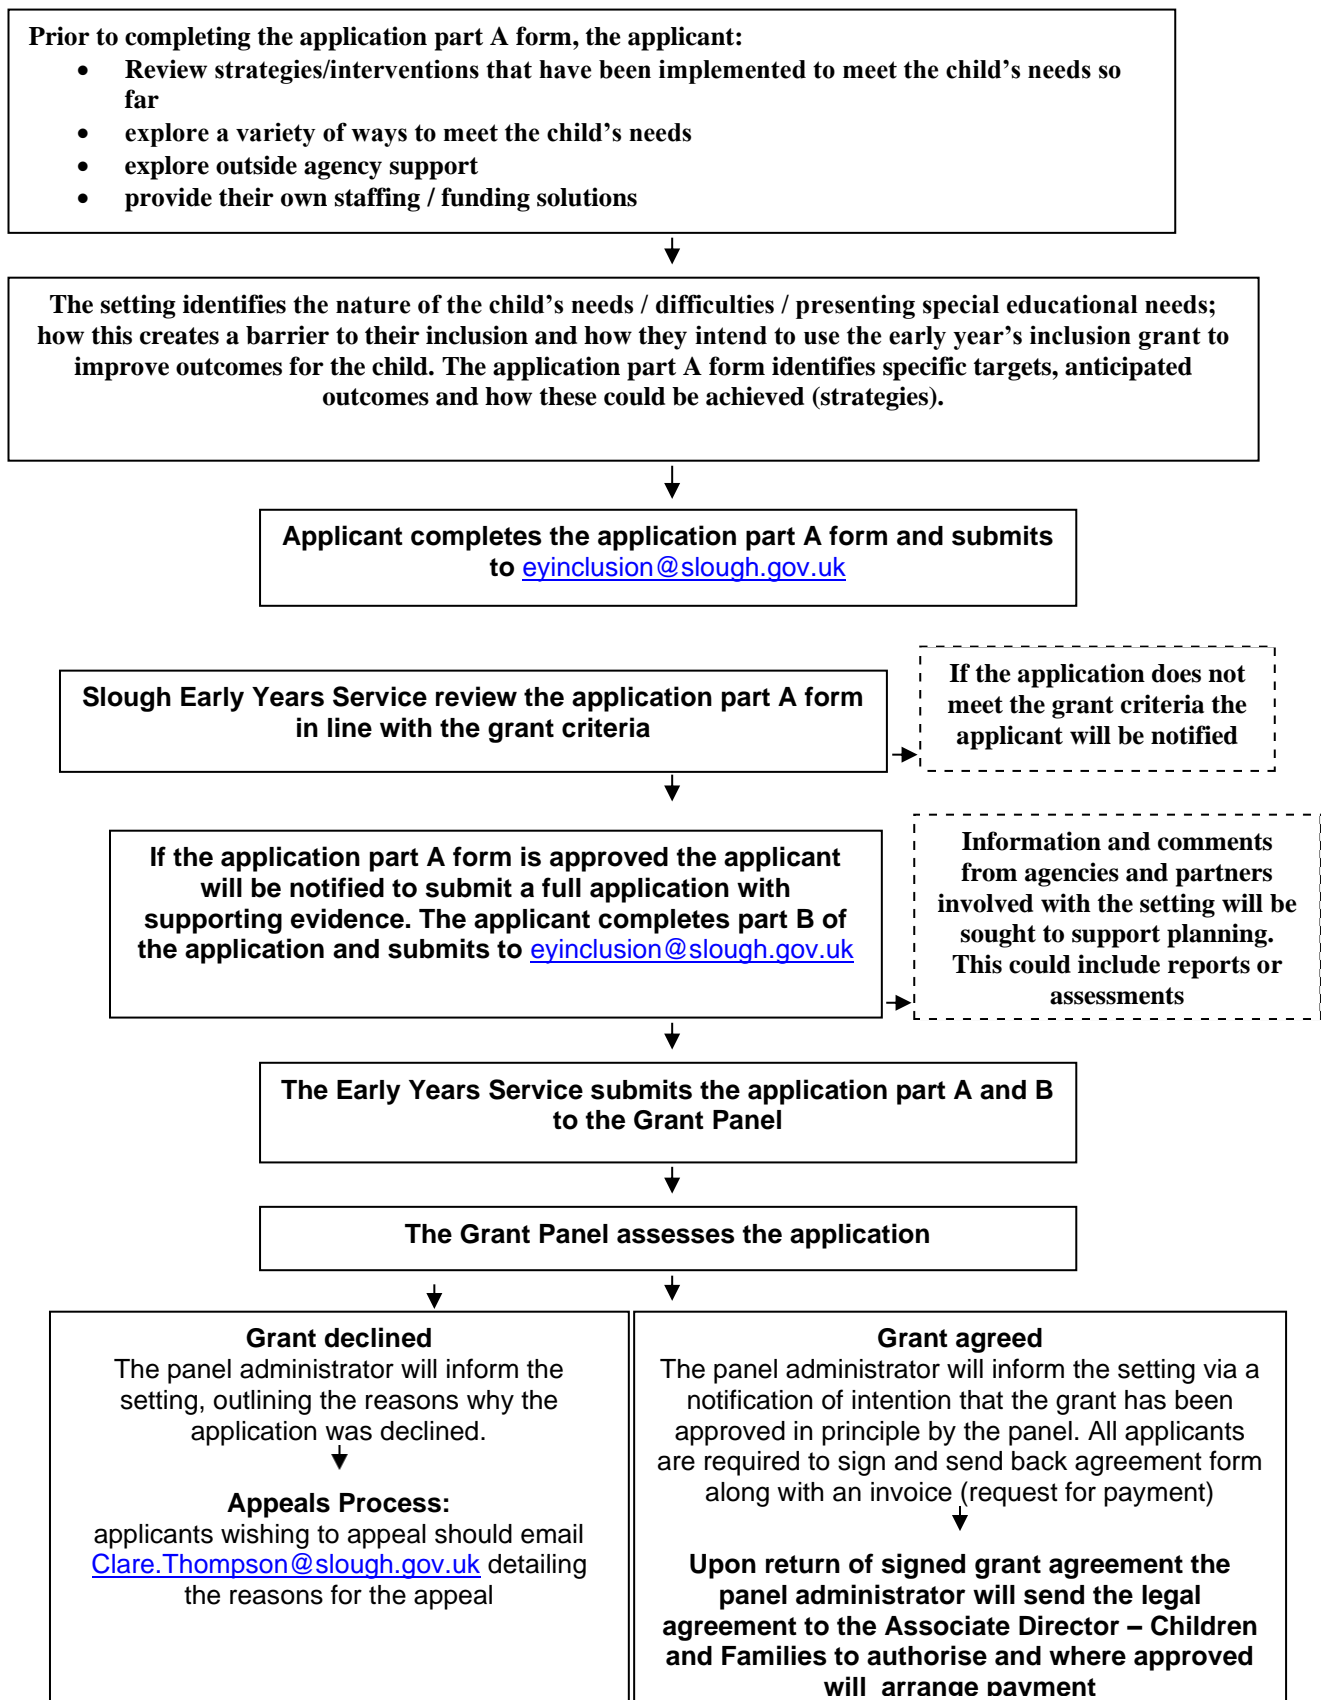

**Please ensure that you have read and fully understood the above guidelines before starting the application process**

## **Appendix C - Disability Access Fund (DAF)**

### **Provision for disabled children and children with special educational needs (SEN)**

Providers must have arrangements in place to support children with SEN or disabilities. Maintained schools, maintained nursery schools and all providers who are funded by the local authority to deliver early education places must have regard to the Special Educational Needs Code of Practice

In April 2017 the government introduced a new targeted early years Disability Access Fund. This fund provides an annual lump sum payment of £800, per eligible child, to be paid to early years settings that are providing a free universal entitlement place for three and four year olds in receipt of Disability Living Allowance (DLA). The purpose of the Disability Access Fund is to support early years providers to make initial reasonable adjustments, build on the capacity of their setting to support disabled children and aid access to places.

### **Eligibility**

Three and four year olds will be eligible for the DAF if they meet the following criteria:

- the child is in receipt of child disability living allowance and;
- the child receives free early education.

Please note that four year olds in primary school reception classes are not eligible for DAF funding. Children become eligible for free early education at different points in the year depending on when they turn 3.

### **Entitlement**

The settings of three and four year olds eligible for the DAF will be entitled to receive a one-off payment of £800 per year. If the child changes provider within the financial year, the new setting will not receive another payment of the DAF. The new provider will need to wait until the following financial year.

### **Identifying eligible children**

Early years providers are ultimately responsible for identifying eligible children and providers are encouraged to speak to parents in order to find out who is eligible for the DAF. Providers will ask parents to complete a DAF application form and provide a copy of the child's DLA award letter.

### **Distributing DAF funding to early years providers**

If a child eligible for the DAF is splitting their free entitlement across two or more providers the parent is only able to complete one application form which asks parents to nominate the main setting (usually setting where child accesses the majority of hours). This setting will be where Slough Borough Council will pay the DAF for the child.

In cases where a child who lives in one authority area attends a provider in a different local authority, the provider's local authority is responsible for funding the DAF for the child and eligibility checking.

All early years providers who are eligible to receive funding for the 3 and 4 year- old early entitlement education are also eligible to receive the DAF.

A DAF payment will be made to a provider following an actual headcount submission in line with the final funding payment for each term.

## Slough Early Years Disability Access Fund Parent Application Form

Providers who offer 3 & 4 year old children free early years education can apply to claim Disability

Access Funding (DAF) to support disabled children to access the free entitlement. A lump sum payment of £800 per year is available to providers who have eligible children in receipt of child Disability Living Allowance who are claiming free early years education universal entitlement.

By completing this form you agree to DAF funding being paid to one Early Years provider as an one- off payment. If you move your child to another provider during the year then the DAF funding is not transferable.

Please return this completed form to your early years provider along with a copy of your child's Disability Living Allowance letter confirmation. The early years provider will then send the form and proof of eligibility to Slough Borough Council.

### **Freedom of information**

The provider acknowledges that the local authority is subject to the requirements of the Freedom of Information Act 2000 (FOIA) and the Environmental Information Regulations 2004 and shall assist and co-operate with the local authority to enable the local authority to comply with these information disclosure requirements.

#### **The provider shall:**

Transfer the request for information to the local authority as soon as practicable after receipt and in any event within two working days of receiving a request for information;

Provide the local authority with a copy of all information in its possession or power in the form that the local authority requires within five working days (or such other period as the local authority may specify) of the local authority requesting that information; and

Provide all necessary assistance as reasonably requested by the local authority to enable the local authority to respond to a request for information within the time for compliance set out in section 10 of the FOIA or regulation 5 of the Environmental Information Regulations 2004.

The local authority shall be responsible for determining at its absolute discretion whether the information: is exempt from disclosure in accordance with the provisions of the FOIA or the Environmental Information Regulations 2004;

is to be disclosed in response to a request for information, and in no event shall the provider respond directly to a request for information unless expressly authorised to do so by the local authority.

The provider acknowledges that the local authority may, acting in accordance with the Secretary of State for Constitutional Affairs' Code of Practice on the discharge of public authorities' functions under Part 1 of FOIA (issued under section 45 of the FOIA, November 2004), be obliged under the FOIA or the Environmental Information Regulations 2004 to disclose information:

without consulting with the provider ; or

following consultation with the provider and having taken the provider's views into account,

provided always that, where this applies, the local authority shall, in accordance with any recommendations of the Code, take reasonable steps, where appropriate, to give the provider advance notice, or failing that, to draw the disclosure to his attention after any such disclosure.

The provider shall ensure that all information produced in the course of the Agreement or relating to the Agreement is retained for disclosure and shall permit the local authority to inspect such records as requested from time to time.

### **Anti-discrimination**

The provider shall not unlawfully discriminate within the meaning and scope of any law, enactment, order, or regulation relating to discrimination (whether in race, gender, religion, disability, sexual orientation, age or otherwise).

The provider shall take all reasonable steps to secure the observance of this clause by all members of the provider's staff.

## Appendix J - Funding offer

### Starting a new funded child

Consider how many weeks you will be operational during the child's funded year

- When does the funded year start and how many weeks holiday will you have?
- For term time only provision consider how does the above compare to the academic year?
- Divide the total yearly funding entitlement (either 570 or 1140) by the number of weeks open to give the number of funded hours offered per week.

### Financial Year 2022-23

Funded period	Term time only	Hours	Stretched	Hours
<b>Summer 2022/23</b> 1 <sup>st</sup> April – 31 <sup>st</sup> August	13 weeks	195	22 weeks	241
<b>Autumn 2022/23</b> 1 <sup>st</sup> September – 31 <sup>st</sup> December	14 weeks	210	17 weeks	186
<b>Spring 2022/23</b> 1 <sup>st</sup> January – 31 <sup>st</sup> March	11 weeks	165	13 weeks	142
	<b>38 weeks</b>	<b>570</b>	<b>52 weeks</b>	<b>569</b>

**Academic year:** Most schools will operate according to their academic year which usually runs from September – July /August.

**Term dates:** Term dates are set by the local authority as a guide but schools are not required to adopt them. Some schools will choose their own term dates that will fall within the funding periods but not total more than 38 weeks per year (39 weeks including inset dates).

**Financial year:** The local authority's financial year begins on 1<sup>st</sup> April and ends on the 31<sup>st</sup> March. The local authority is allocated funds from central government to pay for funded early education places across the borough and the total budget is for the financial year.

**Funded year:** Each child has a funded year that begins the term after the child's 3<sup>rd</sup> birthday and ends on the last day of the term in which the child turns 4 years old.

**Funded period:** Funded periods are the three periods that run throughout the financial year, beginning on the 1<sup>st</sup> April and ending on 31<sup>st</sup> March.

Summer term: 1<sup>st</sup> April – 31<sup>st</sup> August

Autumn: 1<sup>st</sup> September – 31<sup>st</sup> December

Spring: 1<sup>st</sup> January – 31<sup>st</sup> March

**Term time only funding:** Claims for funded early education can be made as 38 weeks over the child's funded year for a total of 570 hours of funding per year (universal offer) and no more than 1140 hours per year (extended entitlement).

**Stretched offer:** Providers can choose to offer funded early education over more than 38 weeks a year and up to 52 weeks per year. Providers must consider the child's funded year and then decide

April 2022

how many weeks during that funded year they will be open. Providers must then divide the total number of funded hours by the total number of operational weeks.

Example funding offer:

1. Child A DOB is 08/10/2017  
Their funded year is 1<sup>st</sup> January – 31<sup>st</sup> December  
The child is only eligible for universal funding (570 hours)  
The provider is open for 38 weeks over the child's funded year so the provider can offer 15 hours per week (570 hours per year).
2. Child A DOB is 08/10/2017  
Their funded year is 1<sup>st</sup> January – 31<sup>st</sup> December  
The child is only eligible for universal funding (570 hours)  
The provider is open 51 week during the child's funded year so the provider can offer 11.17 hours per week or 11 hours per week total (561 hours per year)
3. Child B DOB is 23/04/2018  
Their funded year is 1<sup>st</sup> September – 31<sup>st</sup> August  
The child is eligible for the extended entitlement funding (1140 hours)  
The provider is open 47 weeks during the child's funded year so the provider can offer 24.25 hours per week or 24 hours per week total (1,128 hours per year)

## Appendix K - Early Education - Inclusion Grant and the Disability Access Fund Examples

### Early Education Inclusion Grant

The Inclusion grant is a support fund which is designed to cater for the support needs of children aged 2, 3 & 4 years old (**the child receives free early learning**) where additional care or resources are required at additional cost. The grant is intended to be used as a contribution towards providing additional resources and support for children with low level / emerging SEND where a provider is unable to meet the costs from their own funds, and is not necessarily expected to cover full costs or long term staffing costs.

### Disability Access Fund

This fund provides an annual lump sum payment of £800, per eligible child, to be paid to early years settings that are providing a free entitlement place for three and four year olds in receipt of Disability Living Allowance (DLA). The purpose of the Disability Access Fund is to support early year's providers to make initial reasonable adjustments, build on the capacity of their setting to support disabled children and aid access to places.

Example description	Area	Funds
