

# Slough Education Safeguarding Offer

September 2022—August 2023

Safeguarding and promoting the welfare of children is everyone's responsibility as outlined in KCSIE. Everyone who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, Slough Borough Council are offering the safeguarding subscription as part of the School Effectiveness Partnership Offer, with the added choice of purchasing this subscription standalone.

## What's included in the subscription?

- Three DSL networks a year including Slough services, policies and procedures
- Three seminar per year
- Access to an Online Safety Officer for assistance in developing and implementing strategies related to online safety. Advise on digital safeguarding and provide appropriate online safety education in curriculum development; promote responsible use of technology; empower children to remain safe online
- Safeguarding Newsletter – Three times a year
- Information/advice as and when needed via phone/email including case escalation
- Supporting and managing Ofsted/DfE complaints including school follow up & reporting
- Two free CPD sessions a year for DSL's/DDSL's safeguarding
- Annual 'New to the role welcome meeting/Induction' for DSL in those roles (twice a year)
- Discounted rates for attending additional CPD sessions/events throughout the year (30%)
- Discounted rates for whole school safeguarding training (20%)
