Prince's Trust

WANT A CAREER IN HEALTH & SOCIAL CARE? THE PRINCE'S TRUST HELP 18-30 YEAR OLDS INTO WORK.

Thinking about a career in Health & Social Care
but not sure where to start?

Seen one of our other H&SC programmes
advertised but you can't make the specific dates
because of other commitments?

Perhaps you just need some support with an
upcoming interview or would like to see what
financial help we offer to support you into your
new H&SC job?

**Our STEPS INTO Health & Social Care
is made for you!**

Join one of our 2-hour virtual Access Point
sessions where you will learn about the sector,
roles available and employers we work with. We
also tell you about the support we can provide -
including 2 hour, virtual workshops to boost your
H&SC knowledge and employability skills.

Following the Access Point, you will have the
chance to tailor your journey and interview for
live H&SC jobs in your area.
