

My teachers at Slough Centre Nursery

they inspire, they reassure, they nurture, they value, they care, they respect, they clean, they cook, they help to dress, undress umpteen times, they wipe noses, they support, they mirror, they model they suggest, they demonstrate and they teach!!

Encouraging to take turns, exploring change and developing their motor skills.

Love to experiment and explore with new textures. Always valuing the benefits of malleable play and never scared of the mess!

Investigating and encouraging

Inspiring the love for mark making

Supporting families to help their child learn.

Celebrations of all cultures is an important part of our nursery. This is nativity at our nursery.
