

Education Professionals supporting parents/children from ethnic minority groups with neurodevelopmental disorders!

We are asking you to take part in a survey and/or online focus group meetings/interviews.

We are looking to understand the experiences of families from ethnic minorities who have a child with a diagnosis or suspected diagnosis of a neurodevelopmental disorder e.g. autism, ADHD, OCD, Tourette's.

We are looking for education professionals

e.g.,

with experience working with ethnic minority groups in their profession, in relation to supporting neurodevelopmental disorders

We hope that our findings will help to improve the way health and social care is delivered.

Use this link/QR code to take part in the survey:
