

## JOIN GREEN FOOTBALL'S GREAT SAVE!

We are kicking off on March 11 with exciting ways for schools to get involved. Take part in all three activities, or choose the one that suits your school best – it's up to you!

### **1** IN THE CLASSROOM

Use our free worksheets (Key Stage 1, 2, and 3) to bring Green Football into lessons.

Log your activity on our website and score green goals for your students.

Encourage students to take simple green actions at home with our green goals checklist.

### **2** SEW IT TO SAVE IT

Teach students lifelong skills by sewing patches to repair clothing with our easy video tutorial.

### **3** GINORMOUS JUMBLE SALE

Clear out lost property and unused sports kits! Host a school-wide jumble sale, and donate leftovers to the Salvation Army.

# SCORE GREEN GOALS & WIN BIG!

**PARTICIPATE IN  
ANY ACTIVITY TO:**

Enter our prize draw for books, studio trips, and more!

Help your school's favourite football club win the Green Football Cup!
