Open Events

Our Open Events are the perfect opportunity for you to gather all the information you need before starting a study programme with us at Strode's and Windsor Colleges. You can chat to tutors, have a tour of our amazing campus and facilities with one of our student ambassadors, and speak to our support services staff including admissions who can help you apply there and then! Family and friends are also very welcome to come along.

Open Evenings

Thursday

Running from 4:30pm-7pm

17th October 2024
