

Online Training workshops for Professionals

Communication and Challenging Behaviour

Thursday 17th July 09.00am – 13.30pm

Co-developed, co-produced and co-delivered by family carers and practitioners

An introduction to the links between communication and behaviour. Aimed at anyone who wants to understand how to improve communication with individuals with severe learning disabilities – in turn improving their quality of life, choice and behaviour.

**Introductory rate
£125 per person**

**The Challenging
Behaviour Foundation**
