

# Slough's Children's Centres/Family Hubs

## It's time to get creative!

Could you put your artistic talents to good use and design a new logo for the Family Hubs?

Your design could be used to brand Family Hub documents and posters, so it needs to represent what the hubs are all about: joined up and enhanced services ensuring all parents and carers can access the support they need when they need it.

The winner will receive a certificate featuring their design.

### Criteria:

A logo which can work in colour and/or in white.\*

### Apply:

The closing date for entries is Friday 25 July.

Email copies of the design to [Childrens.Centres@slough.gov.uk](mailto:Childrens.Centres@slough.gov.uk)  
or drop the paper copy into any of the Family Hubs.

\*The council reserves the right to alter any logos to fit design specifications.
