

SLOUGH COMMUNITIES COUNTERING HATE

Participants are led through the emotional journey of radicalisation to see how people are drawn into extremist ideas and groups.

A unique interactive 1.5 hour workshop designed for community groups, frontline practitioners, and faith organisations to combat hateful ideologies and build resilience.

This workshop is a multimedia workshop that combines academic knowledge, personal experience and testimonies.

DATES:

- Tue 30th Sep, 10-11:30am
- Wed 29th Oct, 6-7:30pm
- Wed 7th Jan, 10-11:30am
- Wed 28th Jan, 6-7:30pm

LOCATION:

Online via Microsoft Teams

A meeting link will be emailed to attendees before each session.

Workshops are led by leading experts in the field of extremism and are sensitively adapted to demonstrate the real effects of extremist narratives and the vulnerabilities of those who become drawn into them.
