

Welcome to the Slough SEND LOCAL OFFER website!

The Local Offer website is a guide to services available for children and young people with special educational needs and/or disabilities:

www.sloughfamilyservices.org.uk/localoffer

The redesigned website has been co-produced with children, young people, families and professionals so they can independently access information, following consultation with a range of partners and engagement with children and young people.

Let us know what is working well on the website, and what isn't and what you would like to see.

Use the smiley faces on each page to share your feedback.
