

Welcome to *Getting on Better*

- ➔ We're delighted to welcome you to the growing community using OnePlusOne's *Getting on Better* package, a flexible toolkit of resources for parents, children, and practitioners.

Here's a quick reminder of how to access all of the resources included in your package. We suggest saving these links for ease of access when you need them.

1. Practitioner-only links:

E-learning for practitioner training: <https://elearning.opo.org.uk>

Practitioner guide (including session guides, *Getting on Better* cards, and more):
www.oneplusone.org.uk/gettingonbetter/practitioners

You will need to create a new account for both systems even if you have used OnePlusOne's resources before.

2. For parents you are supporting

- ➔ Parents must use the following link to access *Me, You and Baby Too*, *How to Argue Better*, *Getting it Right for Children* and *Debt and Relationships*: www.oneplusone.org.uk/parents

You can also find this link, and a QR code, on the promotional materials in your practitioner guide. **This is the only link you should share with parents.** They will need to create their own account to access the courses.

Please remember: These links can only be used while your local authority has an active licence with OnePlusOne. They should not be shared outside of your local authority.

If you have any questions about the *Getting on Better* package and how to use it, please contact info@oneplusone.org.uk
