Children's Centres Summer Holiday Programme

31 July to 1 September

Come and join us this Summer Holiday

We have a range of fun activities waiting for you and your children.

Did you know.....?

Research shows that a love of books and reading with young children has a direct impact on how well they do at school. From pregnancy onwards your child can enjoy stories.

But reading doesn't just have to be about books, children can enjoy reading in all sorts of forms – like comics!

So come and join us for our **Comic Creations** sessions throughout the Summer Holidays where we will be bringing comics and stories to life with our fun and interactive sessions for families with children aged 2 to 8.

Summer Activities

Amazing Adventures

Be like Dora the Explorer and become an adventurer in the outdoors, creating maps, building dens and hunting for treasure.

Spectacular Super Heroes

Super heroes come in all sorts of shapes and sizes from Wonder Woman, to Spiderman, to the people who help us every day. Join in with lots of hero themed fun from obstacle courses to making a splash with water play.

Fantastic Fairytales

Just like your favourite Disney characters, enter a world of wonderment by making your own castle, creating potions and singing and dancing to your favourite songs.

Terrific Transport

Thomas the Tank Engine loves to travel and meet his friends and you can too with lots of activities including model making and pretend play.

Messy Monsters

There is always a monster or two in our favourite stories.....come and be a messy one with us. Together we will create lots of mess with slime, paint and more.

Crazy Construction

Be like Bob the Builder and create your own buildings and structures with different materials from sand, mud and straw to blocks and more!

Dinosaur Discoveries

Join us for lots of fun as you dig, discover and play just like Harry

Model Making Menaces

Come and do some junk modelling at a Library near you.

Have you got a baby or toddler, up to 2 years old and want to join in some fun activities? Then how about coming along to one of our **Ready, Steady, Read** play and learn sessions. You and your child will be able to partake in lots of fun story-based activities, just on a smaller scale for little ones.
