Foreword

At Slough SACRE it has taken some time but I now feel that we have developed a great core of people who are good at working together, they keep connected and are in contact between meetings too - to me that's a sign of a good committee!

While we all too often see issues around 'religion' in negative headlines, there is so much good going on too, and schools can and should be well-connected to that.

A great example of this is one I have discovered recently, some fantastic partnership work developing between a local Muslim girls' school and a newly built Sikh gurdwara. They have used the fact that they are neighbours to their advantage and it is working really well.

Developing some good practice and shared resources across the six Berkshire SACREs has been a great initiative and one I hope we can build on and develop further.

The statutory aspects of the revised syllabus are succinctly collated in this short document, with support materials due to accompany this revised syllabus being developed over the coming year/s, full of useful and practical ideas and links to resources for teachers, as well as a clear and easy to understand breakdown for teaching each faith, building on what has worked in the past, simplifying where necessary and generally making it as accessible to teachers as it can be.

We are very aware that often teachers who are asked to lead RE are not given the training or support they would like. We can help plug some of that gap.

It is my pleasure to present this syllabus to you and we look forward to working with our schools, linking them to communities and supporting where we can.

Please do get in touch and let's work together on this.

Thank you to everyone involved in the Slough SACRE for their work and dedication to this important cause.

Chair, Slough SACRE

Introduction

WHAT IS THE PURPOSE OF THE AGREED SYLLABUS?

The locally agreed syllabus forms the foundation of Religious Education in maintained schools without a religious character and maintained voluntary controlled schools. Academies without a religious character must follow an Agreed Syllabus for RE, though they are free to choose which Agreed Syllabus they follow.

The agreed syllabus should satisfy two key requirements:

- the law (as set out in the Education Act 1996)
- the aims of RE as defined by the local Agreed Syllabus Conference.

At teachers' requests, the statutory requirements of the Pan-Berkshire agreed syllabus are contained in this succinct document.

Further guidance on the Key Questions for each religion/ belief system required to be studied, implementation and delivery is offered in accompanying online support documents.

ALL schools have the statutory obligation to teach Religious Education to ALL pupils.

RE should be taught to all pupils in full-time education in schools, except for those withdrawn at the written request of their parents.

(REFERENCE 'EDUCATION ACT' 1944, 'RE IN ENGLISH SCHOOLS: NON-STATUTORY GUIDANCE 2010, DCSF).

WHAT IS THE PURPOSE AND AIM OF RE IN SCHOOLS?

The purpose of RE is to promote religious literacy. Religious literacy requires pupils to gain knowledge and understanding of a range of religions and worldviews and to use that knowledge to engage in informed and balanced conversations about religions and beliefs. In addition to learning about religions and worldviews, Religious Education offers students the chance to develop spiritually, morally, socially and culturally and to reflect on their own beliefs, being able to be discerning about the many attitudes and opinions they will encounter.

The non-statutory 2013 National Curriculum Framework for RE states that pupils should:

- Know about and understand a range of religions and worldviews
- Express ideas and insights about the nature, significance and impact of religions and worldviews
- Gain and deploy the skills needed to engage seriously with religions and worldviews.

To achieve these aims, Religious Education provokes challenging questions about meaning, purpose, beliefs about God, issues of right and wrong and what it means to be human.

RE plays an important role in preparing pupils for life in the modern world, and should enable them to flourish as citizens in a pluralistic, global society.

HOW WILL THIS SYLLABUS HELP YOUNG PEOPLE ACROSS BERKSHIRE TO ACHIEVE THESE AIMS?

The Pan-Berkshire syllabus (2018-2023) is based on similar "big questions" to those found in the 2012-17 version of the syllabus; the links between the three strands of "Belonging, Believing and Behaving" are made more explicit and there are now expected outcomes to replace the Attainment Levels. The links between "learning about" and "learning from" are made more explicit and integrated into the expected outcomes: the questions and expected outcomes combine the need to demonstrate knowledge with an understanding of the impact, necessitating the deployment of specific skills. It is intended that progression in learning will be assessed by the school and will probably reflect Bloom's or SOLO Taxonomy.

The supplementary guidance material that supports this syllabus will explore this further and give information regarding these suggested taxonomies.

This syllabus builds on the previous one by demanding that a slightly wider range of religions and belief systems are taught as statutory requirements, bringing Islam into the Primary Phase and specifying the study of a non-religious worldview, probably Humanism, in Key Stage 3. However, more flexibility is also built in. Schools are free to add additional religions and belief systems as relevant to their school community.

WHICH RELIGIONS/BELIEF SYSTEMS ARE STATUTORY IN THIS SYLLABUS?

EARLY YEARS FOUNDATION STAGE (EYFS, ages 3-4)

RE is only statutory for EYFS children registered on the school roll i.e. from their Reception Year, not for those in nursery classes in maintained schools or in other early years settings. Where it is statutory, the RE should be aligned to the most recent EYFS framework.

During the Reception Year (ages 4-5), pupils **MUST** encounter Christianity **PLUS** at least one other religion from Hinduism, Islam, Judaism and Sikhism.

It is expected that learning will be experiential and thematic during the EYFS.

PRIMARY PHASE (Years 1- 6, ages 5-11)

By the end of Key Stage 2 (Year 6, age 11), pupils **MUST** have:

studied Christianity in every year group **PLUS** Hinduism, Islam, Judaism and Sikhism, by exploring the Key Questions for the relevant Key Stage. They must have achieved the expected outcomes identified in the syllabus.

LOWER SECONDARY PHASE (Years 7- 9, ages 12-14)

By the end of Key Stage 3 (Year 9, age 14), pupils **MUST** have:

studied Christianity in every year group **PLUS** Buddhism, Islam and a non-religious worldview e.g. Humanism, by exploring the Key Questions for Key Stage 3. They must have achieved the expected outcomes identified in the syllabus.

These requirements apply to ALL pupils in Key Stage 3, even those undertaking early-entry GCSE courses starting in Year 9.

UPPER SECONDARY PHASE (Years 10-13, ages 15-18)

By the end of Key Stage 4 (Year 11, age 16), pupils **MUST** have:

studied Christianity and at least one other religion or non-religious worldview.

All pupils must receive Religious Education and should follow an externally accredited course for Religious Studies e.g. GCSE, or an alternative, well-structured and challenging programme of Religious Education. Schools are encouraged to facilitate examination entry for as many students as possible.

POST-16

All students **MUST** receive Religious Education. Students should have the opportunity to follow a course, or modules, which lead to external accreditation e.g. A level Religious Studies. Suggested modules are set out in the supporting guidance material.

Reception Year and Key Stage 1 (ages 4-7)

Reception Year

Which religions?

Children’s Reception Year (age 5), is part of the Early Years Foundation Stage. During this year they should encounter Christianity and at least one of the other principal religions required by the end of Key Stage 2, and their learning should be aligned to the most recent national EYFS Framework. Learning is expected to be experiential and thematic.

Key Stage 1

Which religions?

Christianity plus one other religion from Hinduism, Islam, Judaism or Sikhism, must be studied in each year group in Key Stage 1. Whole Primary Phase planning must ensure coverage of the required religions by the end of Key Stage 2.

Expected Outcomes for Key Stage 1

By the end of Key Stage 1 (Year 2, age 7), pupils are expected to achieve the following **four outcomes** in their study of **Christianity** and to achieve **at least two** of these outcomes for each of the other religion/s studied, mindful of the holistic learning needed by the end of the Primary Phase.

Key Stage 1 Expected outcomes - Enquiry and Impact	
Exp.A	Recognise and give simple accounts of the core beliefs.
Exp.B	Retell a range of religious stories and explain how they link to the core beliefs and practices.

These questions can be adapted, combined or wording changed providing that the content and strands are retained and the outcomes are achieved.

RECOMMENDATIONS AND NOTES (NOT statutory)

Primary Phase (Key Stage 1)

- It is recommended that just ONE of the mandatory religions is studied alongside Christianity in each year group (Reception to Year 6) during the Primary Phase.
- When the Primary Phase is split across schools, schools should liaise to ensure the full range of religions is covered and progression and continuity are considered.
- Schools should also liaise with the secondary schools they feed to ensure continuity and progression.
- Sufficient teaching time, training and resources should be allocated to enable effective leadership and delivery.

Minimum teaching time:

Key Stage 1: 36 hours per year

Other principal religions and worldviews of local significance e.g. the Baha’i Faith, may be studied in addition to the required statutory religions, at the school’s discretion.

- The underpinning themes of Believing, Behaving and Belonging need to be integrated in RE planning.
- Parents have the right to withdraw their children from RE.

Key Stage 2 (Years 3-6, ages 8-11)

Which religions?

Christianity, Hinduism, Islam, Judaism and Sikhism by the end of Key Stage 2

Christianity plus one other religion from Hinduism, Islam, Judaism or Sikhism, must be studied in each year group, ensuring coverage of the required religions by the end of Key Stage2, and building on the learning achieved in Key Stage 1.

Expected Outcomes for Lower and Upper Key Stage 2

By the end of LOWER Key Stage 2 (Year 4, age 9), pupils are expected achieve the following **four outcomes** in their study of **Christianity** and to achieve **at least two** of these outcomes for each of the other religion/s studied. The choice of outcomes needs to ensure as holistic an understanding of each of the religions studied (especially the core beliefs and their application) as possible and take account of progress through the whole key stage.

Lower Key Stage 2 Expected outcomes - Enquiry and Impact	
Exp.A	Explain the significance of religious leaders and sacred texts.
Exp.B	Describe a range of ways that believers express their core beliefs and make the links between belief and expression.
Exp.C	Identify how core beliefs can guide lifestyle choices.
Exp.D	Recognise how religious identity can be shaped by family, community and practice.

By the end of UPPER Key Stage 2 (Year 6, age 11) pupils are expected to achieve the following **four outcomes** in their study of **Christianity** and to achieve **at least two** of these outcomes for each of the other religion/s studied. The choice of outcomes needs to ensure as holistic an understanding of each of the religions studied (especially the core beliefs and their application) as possible and take account of progress through the whole key stage.

Upper Key Stage 2 Expected outcomes - Enquiry and Impact	
Exp.A	Describe and explain what motivates and inspires believers and how this can be reflected in actions/practice.
Exp.B	Explain and demonstrate how and why believers show courage and commitment.
Exp.C	Explain how beliefs, practices and community can support or determine responses to matters of life and death.
Exp.D	Give examples of how core beliefs can be interpreted in different ways leading to diverse expression and behaviour.

These outcomes should be achieved through exploration of the following **Key Questions**:

Key Stage 2 - Key Questions		
Qu.1	To what extent does participating in worship and/or prayer generate a sense of belonging?	(Believing/Belonging)
Qu.2	Do Rites of Passage always help a believer to feel connected to God and/or community?	(Believing/Belonging/Behaving)

Qu.5	How do religious leaders and sacred texts contribute to believers' understanding of their faith?	(Believing)
Qu.6	How well does faith help people cope with matters of life and death?	(Believing/Behaving)
Qu.7	What difference might it make to believe in God as Creator?	(Believing/Behaving)
Qu.8	How might beliefs and community shape a person's identity?	(Believing/Belonging)

Which questions and how many at Key Stage 2?

All 8 Key Questions must be explored in the study of Christianity across Key Stage 2.

For the other principal religions studied in the Primary Phase (Hinduism, Islam, Judaism and Sikhism) it will not be possible to explore all 8 Key Questions for each religion. Therefore, schools are asked to select Key Questions (**at least 2** for each religion) to enable depth of study into each religion and breadth of study across the religions studied in the Primary Phase, building on the foundation learning achieved in Key Stage 1.

These questions can be adapted, combined or wording changed providing that the content and strands are retained and the outcomes are achieved.

Rationale and Acknowledgements

Much thought, consideration and time has been devoted to this 2018-23 agreed syllabus for Religious Education, in order to bring clarity to the requirements and expectations of RE, whilst ensuring the excellent RE practice in schools across Berkshire is maintained and not disrupted by a new syllabus.

All 6 Berkshire SACREs (Standing Advisory Councils on Religious Education) worked together to produce the syllabus, using the Pan-Berkshire SACRE Hub as the conduit for consultation, and invited consultation with teachers and faith and belief communities to ensure the revisions made move RE in Berkshire forward.

Mindful of the ever-present pressures competing for teacher-time, the statutory aspects of the syllabus have been condensed and collated on just a few pages, each Key Stage being seen in its own right whilst always understanding that planning should be undertaken across the Key Stages to ensure as comprehensive and holistic an RE learning journey as possible for every pupil.

The aims are:

- to clarify and make concise the statutory aspects of the syllabus,
- to retain the enquiry-approach,
- to simplify the layout of the Key Questions, making the wording more 'open' and encompassing both Attainment Targets 1 and 2 (learning about and from religion and belief systems) within each question,
- to keep the underpinning Believing, Belonging, Behaving structure to ensure the focus on core beliefs and their application
- to make the expectation as to what is taught in the given RE curriculum time as realistic as possible
- to set out the expected learning outcomes for each Key Stage to enable the planning process to start with clear aims for pupils' RE learning
