

Slough Vocabulary Project Half Day Conference

9am – 12.45pm Wednesday 23 January -

Burnham Park Hall (SL1 7HR)

Free of charge

You are invited to join representatives from Slough schools to take part in a unique sharing and feedback session based on the success of a locally funded vocabulary project undertaken at primary level in a range of Slough schools.

All delegates will receive feedback from the project leaders on lessons learnt as well as practical advice on how to roll out a similar, effective project to improve reading outcomes (particularly for disadvantaged pupils) in their own schools.

Delegates will also receive useful resources after the event and have the opportunity to watch a live demonstration lesson which aims to showcase project theory in practice.

This training is aimed at Local Authority delegates, headteachers, English leaders & SENDCo's.
