Subject: Early years webinar for childminders in the South East: 7pm 13 November 2018

Dear colleague,

You will remember that a few weeks ago we mentioned that we will be providing a webinar for childminders in the South East region. This webinar will take place on 13 November 2018, starting at 7pm. Local authority, CMA and supporting organisation colleagues are welcome to join us.

Please would you forward the invite below to the childminders working in your area. We anticipate a good response, so early registration would be appreciated. The link for registering is contained in the invitation below, and can also be accessed at

With best wishes,
Sue Mann
Senior Her Majesty's Inspector
Early Years, South East.
