

# Slough SENDCo Network Newsletter

## Spring 2019, Issue 3

### Hello All

Welcome to our 3rd newsletter, this time with the added value of **extra sections!** Once you have read this page please continue on to the following...

- ◆ News cont.; SENDCo Network Training Meetings,
- ◆ Events Calendar..... **page 2**
- ◆ Berkshire Healthcare NHS Foundation Trust news, referral routes and criteria ..... **page 3**
- ◆ Slough SEND Directory, v. Feb 2019..... **page 4**

### Best Wishes

*Debs Bowers*

## NEWS

### A New Approach to Top Up Funding

We have been working with Slough head teachers, SENDCOs, local authority officers and a range of specialists to review our current banding model in Slough which can be difficult for parents and professionals to understand.

The new approach is designed to take the 2014 SEND Code of Practice into account; offer a single banding model for all schools that is fair and easy to understand; clearly reflect the needs of each individual child and ensure that the funding for children and young people with SEND is used most appropriately.

Slough Borough Council plans to introduce the new arrangements from **1<sup>st</sup> April 2019**, for new requests for EHC assessments and for children with an EHCP who are transferring to the next education phase in 2020. There will be **no changes** to the funding for children and young people in existing placements.

The consultation period has recently been extended and will now end on **Friday 1<sup>st</sup> March 2019**.

<https://thelink.slough.gov.uk/news/banding-consultation>

\*

### SEND Strategy Refresh

The LA and its partners are currently undertaking a refresh of the local area **SEND Strategy: 2017-2020**. The aim is that the new strategy should:

- Be co-produced with children and young people with SEND and their parents and carers
- Represent high aspirations for children and young people with SEND, underpinned by a strong collective vision and compelling narrative

- Establish a “golden thread” between the local area’s vision, self-evaluation and priorities for improvement. Following on from some workshops with stakeholders and young people at Arbour Vale an initial draft has been developed for wider consultation.

From **Wednesday 27th February 2019** you can access the draft strategy and have your say on The Link.

\*

### Ofsted seeks your views on changes to the education inspection framework from September 2019.

In January this year, Ofsted released their proposed new **Education Inspection Framework 2019**: draft for consultation (EIF) which sets out how they propose to inspect schools, further education and skills provisions and registered early years settings using four key judgement areas:

1. quality of education
2. behaviour and attitudes
3. personal development
4. leadership and management

The accompanying **Equality, diversity and inclusion statement**, seems to suggest a **higher profile for inclusion**. To read all of the **associated documents** and give your **feedback** go to <https://www.gov.uk/government/consultations/education-inspection-framework-2019-inspecting-the-substance-of-education> .**11:45pm on 05/04/19 is the deadline for submissions**

## STOP PRESS

### Change to Meeting Focus

The focus of the SEND Network Meeting on **14<sup>th</sup> March 2019** has been changed

Our Principal E.P., and SENDCOs will take you through the process by modelling how to use the proposed new Top Up Funding model using real cases.

for bookings and queries **Email [thelink@slough.gov.uk](mailto:thelink@slough.gov.uk)**

**Website:** <https://thelink.slough.gov.uk>

**Review of SEND Reforms - Commons Select Committee call for written evidence**

If you have never watched **Parliament TV** you may like to give it a whirl by viewing the roundtable discussions set up to gather evidence from a range of people, both families and professionals, from across the sector. Alternatively you could read the written evidence, meetings transcripts or even **send in your own written submission**.

The inquiry, launched in April last year, was set up to review the success of the 2014 SEND reforms in meeting the challenges faced by children and young people with special educational needs and disabilities. The link below will enable you to access both the oral and written evidence much of which has been published within the last two months. [https://](https://www.parliament.uk/business/committees/committees-a-z/commons-select/education-committee/inquiries/parliament-2017/special-educational-needs-and-disability-inquiry-17-19/publications/)

[www.parliament.uk/business/committees/committees-a-z/commons-select/education-committee/inquiries/parliament-2017/special-educational-needs-and-disability-inquiry-17-19/publications/](https://www.parliament.uk/business/committees/committees-a-z/commons-select/education-committee/inquiries/parliament-2017/special-educational-needs-and-disability-inquiry-17-19/publications/)

*Written evidence is still being accepted for this inquiry.*

**Closing date: 14 June 2018.**

For submission terms of reference and form see- <https://www.parliament.uk/business/committees/committees-a-z/commons-select/education-committee/news-parliament-2017/special-educational-needs-and-disability-launch-17-19/>

**SENDCo Network Training Meetings 2018-19**

<https://thelink.slough.gov.uk>

All meetings are held in **Room 1 at Arbour Park Stadium** (SL2 5AY) where there is plenty of parking. Training will be delivered over **2 hours (1:15-3:15)** by a range of SEND professionals.

At each session, delegates have the opportunity to ask questions and some will be invited beforehand to prepare a short presentation to share their own practice with others.

## Berkshire Healthcare NHS Foundation TRUST

I have had a number of queries relating to criteria and referral routes. Below are those pertaining to the **Berkshire Healthcare NHS Foundation Trust**.

<https://www.berkshirehealthcare.nhs.uk/> is a very useful and **clearly set out website** with information for **parents and professionals** alike.

Much of this information may also appear and be referred to in some professionals **reports** i.e. **you may have noticed/seen that many NHS reports from Paediatricians and Early Years SaLT etc., contain links to pages on the site** with the suggestion that parents and professionals may wish to refer to them.

It is worth noting that there may be an **expectation** that **before a referral** is made, the strategies outlined in the advice have first been tried.

### **Support and information (+ CYPIT toolkits)**

For the main page go to;

<https://cypf.berkshirehealthcare.nhs.uk/supportand-advice/>

**For 0-4 yr. olds:** <https://cypf.berkshirehealthcare.nhs.uk/support-and-advice/0-4-years/>

**For 5-10 yr olds:** <https://cypf.berkshirehealthcare.nhs.uk/support-and-advice/5-10-years/>

**For 11-19 yr olds:** <https://cypf.berkshirehealthcare.nhs.uk/support-and-advice/11-19-years/>

**For SEMH Information:** <https://cypf.berkshirehealthcare.nhs.uk/support-and-advice/mental-and-emotional-health/>

**For General Information:** <https://cypf.berkshirehealthcare.nhs.uk/support-and-advice/general-information/>

Adding these links to your **Favourites Bar** makes for very easy and efficient access.

**Booklets and factsheets** as well as the pages themselves can be printed out for school staff to inform their **classroom, SEN Support** and **EHCP practice**.

### **Referrals**

For each area you are given the criteria for referral and who can make a referral. For the main page go to <https://cypf.berkshirehealthcare.nhs.uk/referrals/> where you will find the list below;

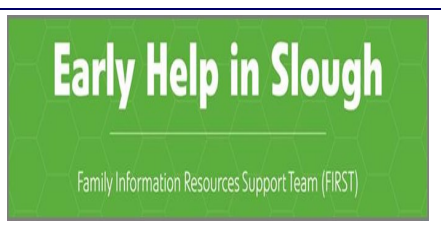

- **Attention Deficit Hyperactivity Disorder (ADHD)**
- **Autism (ASD/ASC)**
- Child and Adolescent Mental Health Service (**CAMHS**):
- **Occupational Health (OT)**
- **Paediatrician**
- **Physiotherapy**
- **Specialist Dietetics:** help and support for children and young people with disabilities or complex needs who have eating difficulties
- **Specialist Nursing:** for children and young people up to the age of 19 who have a learning disability, are registered with a Berkshire GP or attend a Special School in Berkshire.
- **Speech and Language Therapy:** N.B., for Slough, please refer to The Link website and [Sarah.Heath@arbourvaleschool.org](mailto:Sarah.Heath@arbourvaleschool.org)

### **New NHS Autism Assessment Pilot**

Berkshire Healthcare NHS Trust and NHS East Berkshire Clinical Commissioning Group will be inviting a number of families in Berkshire to take up the option of a **Healios** Autism Assessment as part of a pilot to improve services and reduce waiting times. Healios interactive assessments are carried out by qualified clinicians via video conferencing as an alternative to clinic based appointments.
