

Has your child had their flu vaccination yet?

Come down and see us on the **14 December** for information about the flu vaccine for children. You can also get your child vaccinated for **free** if they missed out on the vaccination when nurses visited their primary school.

Myth busting:
There is **no** pig DNA present

Myth busting:
Flu is not just a bad cold, it can lead to hospital admission and even death

Myth busting:
Even healthy fit people can get the flu
