

Community Response Pathways and Support offer

Contact officer - Hannah Burgess

SHIELDED RESIDENT

Clinically Extremely Vulnerable residents can request support on the National Shielding Support System

All Slough residents can contact the Community Response Team
Monday - Friday
9am - 5pm
01753 944198

NON SHIELDED RESIDENT

Residents can request support via the One Slough Webform at
<https://oneslough.org.uk/covid19/>

The Community Response team triage these requests, making referrals to the main council contact centre, signposting residents to self-help advice or referring them to local community groups offering support
