# Healthy Eating Week 2021 takes place from 14<sup>th</sup> – 18<sup>th</sup> June. This year's theme is 'Find your Healthier you' with five elements:

- Know the facts information, advice and myth busting.
- Make a healthier choice tips and tools to make better choices.
  - Plan for success ways to plan healthier meals and menus.
- Be the chef how to cook healthier options, with links to recipes and ideas.
  - Keep moving promoting the importance of being active for health.

Below are links to resources to use during Healthy Eating Week in PSHE/RSHE lessons, class/tutor time and assemblies. The resources are all produced by reputable organisations, but the School Health & Wellbeing Project has not assessed them. Please review your chosen resource(s) before use to ensure they are suitable for your pupils.

## Links to the RSHE curriculum: $\infty$

The characteristics and evidence of what constitutes a healthy lifestyle, maintaining a healthy weight, including the links between an inactive lifestyle and ill health, including cancer and cardio-vascular ill-health.

 $\infty$ 

How to maintain healthy eating and the links between a poor diet and health risks, including tooth decay and cancer.

#### British Nutrition Foundation

Activity packs have been created to give you an overview about the week and its five themes. There are also a range of activity ideas for each day/theme: <u>https://www.nutrition.org.uk/attachments/article/1393/HEW%20-</u>%20Secondary%20school%20teachers.pdf

Also available are a set of <u>posters</u> and <u>videos</u> (theme and healthier cooking), a short <u>presentation</u>, a range of <u>trackers</u> that have been created to support you and others throughout the week, a <u>How healthy are you? quiz</u> a presentation about the week, as well as <u>Zoom/Teams background</u> and <u>Certificate</u> to download. There is also a <u>primary</u> <u>school assembly and secondary school tutor time activities.</u>

#### <u>Twinkl</u>

Information pages about Healthy Eating Week and this year's theme: <u>https://www.twinkl.co.uk/event/healthy-eating-week-2021</u>

#### British Dietetics Association

A downloadable food fact sheet about healthy eating: <u>https://www.bda.uk.com/resource/healthy-eating-for-children.html</u>

#### Food a Fact of Life

Resources for teaching young people aged 3-16 years about where food comes from, cooking and healthy eating: <u>https://www.foodafactoflife.org.uk/</u>

### Resource Pack (SECONDARY) – Healthy Eating Week 2021

#### Public Health England

**The Eat Well Guide** has been updated by Public Health England to highlight the different types of food that make up our diet, and help pupils learn the proportions we should eat to have a healthier and more balanced diet: <u>Eatwell guide | PHE School Zone</u>

**Physical Wellbeing** curriculum-linked lesson plans and classroom materials for year 6, KS3 and KS4 including Power Point presentations, student activities, differentiated options and films. Students discover self-care actions to support their wellbeing including getting active, eating well or getting good quality sleep. <u>Physical Wellbeing</u>

#### <u>Healthier Together</u>

Web pages for young people with information, tips and advice about healthy eating and weight: <a href="https://frimley-healthiertogether.nhs.uk/health-for-young-people/staying-healthy/healthy/healthy-eating">https://frimley-healthiertogether.nhs.uk/health-for-young-people/staying-healthy/healt

#### <u>Rise Above</u>
