child exploitation

#LookCloser

The
Children's
Society

National County Lines Coordination Centre

Young people who have been exploited or abused:

- Don't always look and act vulnerable
- May not understand they are being exploited
- May have a distrust of police/adults in authority
- May appear angry or aggressive; these are common signs of trauma
- Can feel scared about what might happen to them next
- Need to feel safe and heard, so that they feel comfortable talking about what might be happening to them
