What's Up with Everyone?

Leading academics have partnered with Aardman to launch new mental health campaign. What's Up With Everyone? is a series of five new animated films created with and for young people about dealing with life's challenges before they impact negatively on mental health. Issues covered include loneliness, perfectionism and competitiveness and the films are supported by a companion website: What's Up with Everyone?

Berkshire CAMHS

Psychological Perspectives in Education and Primary Care (PPEPCare) training has been designed to help staff/volunteers in the CYP workforce to recognise and understand mental health difficulties in children and young people and offer appropriate support and guidance to children, young people and their families using psychoeducation and relevant psychological techniques.

PPEPCare is FREE and delivered by local specialist CAMHS, Getting Help Service and Mental Health Support Team colleagues alongside education psychologists from Slough Borough Council. PPEPCare training for all modules (listed below) is currently being delivered virtually. Face to face delivery will resume as soon as it is safe to do so in line with COVID-19 restrictions. If you are starting to plan your CPD input for next academic year, please use booking form and the MHST/GH team will contact you to discuss your needs.

<u>Psychological Perspectives in Education and Primary Care (PPEPCare)</u> To book a session please use the online form available **here.**

BEREAVEMENT

An introduction to Traumatic Bereavement webinar

Provided by the Anna Freud Centre (Schools in Mind) this seminar will help to explain and identify traumatic bereavement, understand how it differs from 'normal' bereavement, and give education staff an introduction to how to support children and young people when experiencing a traumatic bereavement. It takes place on 15th June, 4.30-6.00pm. Further information and a booking link can be found here:

An introduction to Traumatic Bereavement

Traumatic Bereavement Resources

Free, evidence-based resources from the UK Trauma Council to support schools, colleges and practitioners working with traumatically bereaved children and young people. The resources will help adults in schools and colleges to identify and support children and young people experiencing a traumatic bereavement:

Traumatic Bereavement Resources

Child Bereavement UK

Supporting children bereaved during the Coronavirus outbreak
