Dear Headteacher,

RE: The Key Services 2023-2024

You'll know that we've been working together with The Key for many years to be able to offer great support to all our schools.

At Slough Borough Council, we've carefully reviewed how we invest our resources most effectively to best support our schools. As a result of this review, we'll continue to work closely with The Key but change how we process its memberships.

Our membership on behalf of schools will cease 31st August 2023. We will no longer be able to offer any assistance with KEY related products from this date.

Going forward, instead of buying and renewing your memberships of The Key through us, The Key will manage this directly with you, including any invoicing. We're pleased to let you know that The Key will continue to offer great rates for Slough schools.

What are the next steps?

Our colleagues from The Key will reach out to schools that have renewals coming up in September 2023.

If you have any questions about The Key's offer or would like to discuss your membership, please reach out to Jamie MacFarlane at jamie.macfarlane@thekeysupport.com

We'd like to thank The Key for their close collaboration and support over the years.

All the best,

Neil Hokinson,

Associate Director Education and Inclusion, Slough Borough Council
