

Private Fostering

Is your child being looked after by someone who isn't a close relative or have you made arrangements for them to be?

If so, this could be a private fostering arrangement and your local authority needs to be notified.

Private fostering is when a child is living with someone other than a close relative for 28 days or more.

This is for all children up to the age of 16, or 18 if they have a disability.
