Training Highlights :

- Expert-Led Session
- Interactive Learning
- CPD certified valid for two years
- An addition for your CV
- Personal and career development

Why Become An Oral Health Champion?

We will give you the knowledge and tools to support others with their toothbrushing, diet and dental visits. With the access to dentistry being a current challenge, it is vital that people are supported to look after their own oral health effectively to prevent pain and problems.

Held virtually

90 minutes including the opportunity to ask questions.

A variety of days and times to choose from

Once you have completed the sign up form, a member of the CDS CIC team will be in touch.
