HARM OUTSIDE THE HOME TRAINING

Training for all professionals working with Children and Young people who are at risk of harm outside the home.

Training Aims

- Be aware of the importance of including the child's voice in your decision making, ensuring there is a trauma informed approach.
- Know the importance of working with parents and carers as protective factors where applicable
- Understand the importance of multi-agency collaboration with a range of partners including their roles, responsibilities and perspectives
- Recognise how responses to harms outside the home require flexibility and creativity, in order to best meet the needs of children and truly reduce risk
- Increased self-awareness and confidence in challenging use of language that is adultifying and victim blaming, recognising appropriate language.
- To be clear on the outcomes of the SPR Homicide

When : 08th October 2025 10:00am -13:00pm

Where: Council Chambers, Observatory House
