Autumn is the season to snuggle up with a book.

You can borrow up to 30 books with your library card and your library membership also gives you access to thousands of eBooks and eAudiobooks with Borrowbox through your browser or app. You can browse titles on the digital bookshelves, so books are still within your reach, even if you want to stay indoors. Ask staff for details or visit www.slough.gov.uk/libraries

Parents/carers should stay on site. Please note the age guidance for each activity.
