

Community Safety Survey

We'd love to hear from people of all ages through our annual community safety survey.

Help us:

- understand the impact of crime, anti-social behaviour, and drug/alcohol issues where you live and work
- learn about your experience reporting crimes
- measure how safe you feel in Slough.

Completing the survey enters you into a prize draw, with prizes including:

- £75 meal for 2 voucher at Jim's Kitchen & Bar
- Family of 4 Slough Town FC tickets
- Everyone Active voucher for ice-skating/bowling
- LEGO® sets, and more!

Complete the survey at slough.citizenspace.com/public-health/community-safety-survey/ before 16 January 2026.
